Sublime Desire Amy J. Elias, 2003-04-01 Co winner of the Perkins Prize from the Society for the Study of Narrative Literature Has twentieth century political violence destroyed faith in historical knowledge What happens to historical fiction when history is seen as either a form of Western imperialism or a form of postmodern simulation In *Sublime Desire* Amy Elias examines our changing relationship to history and how fiction since 1960 reflects that change She contends that postmodernism is a post traumatic imagination that is pulled between two desires the political desire to acknowledge the physical violence of twentieth century history and the yearning for an escape from that history into a ravishing realm of historical certainty Torn between these desires both historical fiction and historiography after 1960 redefine history as the sublime a territory beyond lived experience that is both unknowable and seductive In the face of a failure of Enlightenment ideals about knowledge and the West's own history of violence post World War II history becomes a desire for the secular sacred sublime for awe certainty and belief *Sublime Desire* is an eloquent melding of theory and practice Mixing the canonical with the unexpected Elias analyzes developments in the historical romance genre from Walter Scott's novels to novels written today She correlates developments in the historical romance to similar changes in historiography and philosophy *Sublime Desire* draws engagingly on more than thirty relevant texts from Tolstoy's *War and Peace* to Jeanette Winterson's *Sexing the Cherry* Charles Johnson's *Dreamer* and Charles Frazier's *Cold Mountain* But the book also examines theories of postmodern space and time and defines the difference between postmodern and postcolonial historical perspectives The final chapter draws from trauma theory in Holocaust studies to define how fiction can pose an ethical alternative to aestheticized history while remaining open to pluralism and democratic values In its range and sophistication *Sublime Desire* is a valuable addition to postmodernist studies as well as to studies of the historical romance novel

Writing Urban Space Liam Murphy Bell, Gavin Goodwin, 2012-07-16 From William Blake through to Iain Sinclair literature has sought to engage with and transform urban space Architects now seek the input of poets and storytelling is employed in urban regeneration *Writing Urban Space* investigates this relationship between imaginative writing and the built environment *The Historical Novel, Transnationalism, and the Postmodern Era* Susan Brantly, 2017-02-17 This book explores the genre of the historical novel and the variety of ways in which writers choose to represent the past demonstrating how histories can communicate across national borders often by invoking or deconstructing the very notion of nationhood It traces how concerns of the postmodern era such as critiques of historiography colonialism identity and the Enlightenment

have impacted the genre of the historical novel and shows this impact has not been uniform throughout Western culture. Historical novels from England, America, Germany, and France are compared and contrasted with historical novels from Sweden, testing a variety of theoretical perspectives in the process.

Problem Based Psychiatry Ben Green, Steph Chambers, 2018-04-19 This revised text presents student doctors, mental health nurses, social workers, occupational therapists, mental health advocates, and mental health therapists with a problem-based approach to psychiatry. It contains numerous case studies allowing a problem-based approach to core information and reflecting the processes that underlie clinical decision making. This second edition is upgraded, expanded, and updated, including details of the best modern web-based resources. Its problem-based approach to teaching is at the forefront of the delivery of modern medical school curricula and includes additional new case scenarios and current opinion on mental disorders and their treatment using both drug therapy and psychotherapy. It fully reflects the latest practice and recent changes in mental health provision.

Idioms of Distress Lilian R. Furst, 2012-02-01 This interdisciplinary study examines the enigmatic category of psychosomatic disorders as articulated in medical writings and represented in literary works of the nineteenth and twentieth centuries. Six key works are analyzed: Hawthorne's *The Scarlet Letter*, Zola's *Thérèse Raquin*, Thomas Mann's *Buddenbrooks*, Arthur Miller's *Broken Glass*, Brian O'Doherty's *The Strange Case of Mademoiselle P*, and Pat Barker's *Regeneration*. Each is a case study in detection as the hidden sources of bodily ills are uncovered in intra or interpersonal conflicts such as guilt, family tensions, and marital discord. The book fosters a better understanding of these puzzling disorders by revealing how they function simultaneously as masks and as manifestations of inner suffering.

The Deposition of Father McGreevy Brian O'Doherty, 2014-02-15 It should have won all the prizes. DORIS LESSING: Enthralling, chilling, and memorable. Sunday Telegraph: So original that the text is illuminating. The Times: Remarkable and haunting. Guardian: In a London pub in the 1950s, editor William Maginn is intrigued by a reference to the reputedly shameful demise of a remote mountain village in Kerry, Ireland, where he was born. Maginn returns to Kerry and uncovers an astonishing tale: both the account of the destruction of a place and a way of life which once preserved Ireland's ancient traditions, and the tragedy of an increasingly isolated village where the women mysteriously die, leaving the priest Father McGreevy to cope. McGreevy struggles to preserve what remains of his parish and against the rough mountain elements, the grief and superstitions of his people, and the growing distrust in the town below. Rich in the details of Irish lore and life, and a gripping exploration of both the locus of misfortune and the nature of evil, its narrative evokes both a time and a place with the accuracy of a keen, unsentimental eye, and renders its characters with heartfelt depth. Shortlisted for the Man Booker Prize.
