Strange Customs of Courtship and Marriage William J. Fielding.,1949 **Strange customs of courtship and marriage** William John Fielding,194? Strange Customs of Courtship and Marriage William John Fielding,1964
Strange Customs of Courtship & Marriage. [With Plates.]. William John FIELDING,1964 **Strange Customs of Courtship and Marriage** ,1943 **Strange Customs of Courtship and Marriage** Robert C. Craig,1933 **Blood and Home in Early Modern Drama** Ariane M. Balizet,2014-04-24 In this volume the author argues that blood was crucially a means by which dramatists negotiated shifting contours of domesticity in 16th and 17th century England Early modern English drama vividly addressed contemporary debates over an expanding idea of the domestic which encompassed the domus as well as sex parenthood household order the relationship between home and state and the connections between family honor and national identity The author contends that the domestic ideology expressed by theatrical depictions of marriage and household order is one built on the simultaneous familiarity and violence inherent to blood The theatrical relation between blood and home is far more intricate than the idealized language of the familial bloodline the home was itself a bloody place with domestic bloodstains signifying a range of experiences including religious worship sex murder birth healing and holy justice Focusing on four bleeding figures the Bleeding Bride Bleeding Husband Bleeding Child and Bleeding Patient the author argues that the household blood of the early modern stage not only expressed the violence and conflict occasioned by domestic ideology but also established the home as a site that alternately reified and challenged patriarchal authority **The Wedding Complex** Elizabeth Freeman,2002-10-31 A queer literary and cultural studies examination of the wedding ceremony rather than the resulting marriages which finds it to be a space of more open possibilities than might normally be supposed Peculiar Customs and Rites of the Himalayan People D. D. Sharma,2000 **Crime and Deviance in Canada** Chris McCormick,Christopher Ray McCormick,Len Green,2005 This unique and timely reader brings together twenty four of the very best and most controversial readings on the history of crime deviance and criminal justice in Canada This text is ideal for use in courses on introductory criminology crime and deviance or the Canadian justice system particularly those with an historical component The theme of power relations is a very strong unifying element that is relations of gender social class ethnicity and age Through such topics as prostitution prohibition youth courts and the regulation of sexuality we can trace these relations of power and how they link to the definition of crime in society
