## **Strange Kiss:**

**Kiss Me in the Kitchen** Steve Ogan, 2012 Kisses and kitchens are more connected than most people can ever imagine A kiss is an expression of love It is an indication of intimacy a show of affection The kitchen is a place of cooking It is a centre for the practical demonstration of a wife s love for her husband and a husband s love for his wife Just as a kiss is ministered out of a heart of affection so the ministry in the kitchen is rendered out of a heart of care and consideration Kiss Me in the Kitchen is a unique book It deals with the following The kitchen as an altar for the preservation of love and life The relationship of kissing and the priesthood of the kitchen place How husbands and wives can kiss each other in the kitchen place How parents can kiss their children and teach them to minister in the kitchen Kissing and the restoration of the biblical patterns of nutrition Releasing the rainbow colours of the kitchen Turning your spouse into a celebrity chef The ministry of the watchman and intercession in the kitchen How to kiss your spouse with love poems in the kitchen The health benefits of kissing in the kitchen Kissing for divine breakthrough in the kitchen The passion to cook a lovely meal is as powerful as the preparation to give a passionate kiss As kissing is indispensable to lovers so is the kitchen indispensable to families **Stage**
