The Strange Necessity, 1976 **The Strange Necessity** Rebecca West, 1928 *The Strange Necessity* Rebecca West, 1980-06-01 The Strange Necessity, Essays and Reviews. Reissued Rebecca West (pseud. de Civily Isabel Fairfield, Mme Henry Maxwell Andrews.), 1931 **Rebel Women** Jane Eldridge Miller, 1997-03-15 With the rise of women's suffrage challenges to marriage and divorce laws and expanding opportunities for education and employment for women the early years of the twentieth century were a time of social revolution Examining British novels written in 1890-1914 Jane Eldridge Miller demonstrates how these social legal and economic changes rendered the traditional narratives of romantic desire and marital closure inadequate forcing Edwardian novelists to counter the limitations and ideological implications of those narratives with innovative strategies The original and provocative novels that resulted depict the experiences of modern women with unprecedented variety specificity and frankness *Rebel Women* is a major re-evaluation of Edwardian fiction and a significant contribution to literary history and criticism Miller's is the best account we have not only of Edwardian women novelists but of early 20th century women novelists the measure of her achievement is that the distinction no longer seems workable David Trotter *The London Review of Books* Life in the Writings of Storm Jameson Elizabeth Maslen, 2014-09-30 Margaret Storm Jameson 1891-1986 is primarily known as a compelling essayist her stature as a novelist and champion of the dispossessed is largely forgotten In *Life in the Writings of Storm Jameson* Elizabeth Maslen reveals a figure who held her own beside fellow British women writers including Virginia Woolf anticipated the Angry Young Women such as Doris Lessing and was an early champion of such European writers as Arthur Koestler and Czesław Miłosz Jameson was a complex character whose politics were grounded in social justice she was passionately antifascist her novel *In the Second Year* 1936 raised the alarm about Nazism but always wary of communism An eloquent polemicist Jameson was as president of the British PEN during the 1930s and 1940s of invaluable assistance to refugee writers Elizabeth Maslen's biography introduces a true twentieth century hedgehog whose essays and subtly experimental fiction were admired in Europe and the States **Political and Social Issues in British Women's Fiction, 1928-1968** E. Maslen, 2001-02-20 In *Political and Social Issues in British Women's Fiction 1928-1968* Elizabeth Maslen reassesses fiction written by women between the granting of universal franchise and the advent of new wave feminism Through close readings of a wide range of novels Maslen analyses how writers chose to represent such issues as pacifism and the threat of fascism war race and class and gender exploring in the process how the writers' priorities affect their decisions on how to write **The Literary Achievement of Rebecca West** Harold Orel, 1985-12-09 **Marie Corelli, A Romance of Two Worlds** Corelli Marie Corelli, 2019-04-10 A new scholarly edition of a major late Victorian scientific romance novel Marie Corelli's *A Romance of Two Worlds* is regarded as one of the most culturally important Victorian bestsellers This critical edition offers instructive access to this multifaceted but still largely underappreciated novel that is a key text for scholars and students of late

Victorian women's writing It also raises urgent questions about a wide array of textual and cultural concerns especially the form and function of the Victorian bestseller *Key Features* Contains a thorough critical and analytical introduction annotations and appendices Provides context and underlines the aesthetic significance of Corelli's supernatural romance Engages with the full range of secondary scholarship on this neglected late Victorian author

Edwardian and Georgian Fiction Sterling Professor of Humanities Harold Bloom, 2009 This volume examines the great writers of the late 19th and early 20th centuries from Thomas Hardy to Joseph Conrad

Haptic Modernism Abbie Garrington, 2015-05-29 This book contends that the haptic sense combining touch kinaesthesia and proprioception was first fully conceptualised and explored in the modernist period in response to radical new bodily experiences brought about by scientific technological and

At Home and Abroad in the Empire Robin Hackett, Freda Hauser, Gay Wachman, 2009 This book builds upon critical reevaluations of modernism and British literature of the 1930s with a simultaneous focus on discourses of race gender and empire The essays direct attention to the complications and ambivalence accumulating around the meanings of Englishness They reject analyses of texts as chronicles of personal psychological development in favor of analyses that assume texts are shaped by their authors' public intellectual involvement In addition they offer detailed specific explorations of ways in which British women in the 1930s narrativize empire and war Thus they will resonate with significance for readers in the early twenty-first century for whom empire and war as well as terror and security are part of the discourse of everyday life Robin Hackett is an Associate Professor of English at the University of New Hampshire Freda S. Hauser is an independent scholar Gay Wachman is retired from the State University of New York Old Westbury

Reading Circles, Novels and Adult Reading Development Sam Duncan, 2012-02-23 Adult literacy teachers are constantly searching for effective engaging and distinctly adult ways to develop adult emergent reading and for at least the past two hundred years adults have formed themselves into reading circles to read and discuss novels on a weekly or monthly basis Why then are reading circles rarely used or studied in formal adult literacy provision This book explores adult reading development novel reading and reading circles in the context of a wider examination of reading pedagogies and practices in the English speaking world It discusses reading as both an individual and a communal act and investigates the relationship between literature and literacy development practice and pedagogy including a reassessment of the controversial approaches of reading aloud and phonics for adults Sam Duncan reviews a case study of an adult reading circle in a large London further education college and identifies the wider implications for the teaching and learning of adult emergent reading for the use and understanding of reading circles and for how we understand the novel reading experience more broadly

Victorian Culture and Classical Antiquity Simon Goldhill, 2011-07-18 How did the Victorians engage with the ancient world Victorian Culture and Classical Antiquity is a brilliant exploration of how the ancient worlds of Greece and Rome influenced Victorian culture Through Victorian art opera and novels Simon Goldhill examines how sexuality and desire the politics of culture and the role of

religion in society were considered and debated through the Victorian obsession with antiquity Looking at Victorian art Goldhill demonstrates how desire and sexuality particularly anxieties about male desire were represented and communicated through classical imagery Probing into operas of the period Goldhill addresses ideas of citizenship nationalism and cultural politics And through fiction specifically nineteenth century novels about the Roman Empire he discusses religion and the fierce battles over the church as Christianity began to lose dominance over the progressive stance of Victorian science and investigation Rediscovering some great forgotten works and reframing some more familiar ones the book offers extraordinary insights into how the Victorian sense of antiquity and our sense of the Victorians came into being With a wide range of examples and stories Victorian Culture and Classical Antiquity demonstrates how interest in the classical past shaped nineteenth century self expression giving antiquity a unique place in Victorian culture **Rebecca West's**

Subversive Use of Hybrid Genres Laura Cowan,2015-05-21 Bringing new insights from genre theory to bear on the work of the journalist and novelist Rebecca West this study explores how West s use of and combinations of multiple genres often in single works was informed and furthered by her subversive feminist goals Rebecca West s Subversive Use of Hybrid Genres analyzes West s sense of genres as dynamic and strategic processes with transgressive political ends rather than as fixed and reified taxonomies a radical new approach at the time that is now mirrored in much contemporary theory Surveying her oeuvre from this point of view the book goes on to examine systematically West s writing from 1911 1941 including her early journalism and criticism such novels as The Return of the Soldier and her controversial multi genre epic Black Lamb and Grey Falcon The Author, Playwright and Composer ,1929 **Step-daughters of England** Jane Garrity,2003 By reading the work of the British modernists Dorothy Richardson Sylvia Townsend Warner Mary Butts and Virginia Woolf through the lens of material culture this text argues that women s imaginative work is inseparable from their ambivalent complicated relation to Britain s imperial history **Henry James** Rebecca West,2014-03-18 The first book by distinguished novelist journalist and literary critic Rebecca West a biography of Henry James Setting the standard for a century s worth of criticism Rebecca West diagnosed Henry James as an American who could never feel at home until he was in exile in this slim readable biography published just a few months after his death in 1916 West boldly assesses Roderick Hudson as not a good book and displays remarkable foresight in describing Daisy Miller as a sad and lovely book that will strike each new generation afresh An early advocate of feminist principles she has fascinating things to say about James s heroines and her division of his work into early and late periods continues to be a basic principle of Jamesian scholarship One of the twentieth century s brightest minds Rebecca West began her career as a public intellectual with this thoughtful and compelling study of a literary giant This ebook has been professionally proofread to ensure accuracy and readability on all devices
