Strange News From Another Star And Other Tales

Estelle A. Fidell

Strange News From Another Star And Other Tales:

Strange News from Another Star Hermann Hesse, 2025-08-22 In 1919 the same year *Demian* was published seven of these stories appeared as a book entitled *Märchen* literally Fairy Tales For this first edition in English we have followed the arrangement Hesse made for the final collected edition of his works where he added an eighth story *Flute Dream* The new note so clear in *Demian* was first sounded Hesse believed in some of these tales written during the years 1913 to 1918 the period that brought him into conflict with supporters of the war with his country and its government with conventional intellectual life with every form of orthodoxy both in the world and in himself Unlike his earlier work from Peter Camenzind through *Knulp* the stories in *Strange News from Another Star* do not allow for an essentially realistic interpretation They are concerned with dream worlds the subconscious magical thinking and the numinous experience of the soul Their subject is the distilling of wisdom The eight stories are *Augustus* *The Poet* *Flute Dream* *Strange News from Another Star* *The Hard Passage* *A Dream Sequence* *Faldum* and perhaps the masterpiece of this collection *Iris*

Fairy Tales Hermann Hesse, Published in Berlin amid the Spartacist riots and political assassinations this collection reworks traditional folklore to grapple with postwar trauma Stories like *Augustus* and *The Poet* employ allegory to critique societal fragmentation their magical realism offering oblique commentary on a world unmoored by war The tales publication coincided with Germany's fraught transition to democracy their themes of fractured identity and elusive redemption mirroring national introspection In 1919 the same year *Demian* was published Hermann Hesse also released *Märchen* a collection of surreal and allegorical short stories often referred to in English as *Fairy Tales* or sometimes *Strange News from Another Star* the latter being the title of one of the tales These stories were actually written over the span of the 1910s between 1913 and 1918 during the World War I period and Hesse compiled them into a single volume as the war came to an end Published by S Fischer in Berlin *Märchen* showcases a very different side of Hesse compared to the psychological realism of *Demian* Here Hesse indulges in dreamlike narratives fables that take place in fantastical realms or abstract spaces of the soul The 1919 collection included a number of now famous Hesse short works such as *The Painter* *Der Maler* *Flute Dream* *Flüchtenraum* *The Fairy Tale* *Märchen* the eponymous story *Faldum* *Iris* and *Strange News from Another Star* *Merkwürdige Nachricht von einem anderen Stern* among others English readers were introduced to many of these when the collection *Strange News from Another Star and Other Tales* was published containing translations of the *Märchen* stories The reception of these tales was interesting having *Demian* and *Märchen* appear around the same time demonstrated Hesse's range Those hungry for symbolism and myth found rich material in *Märchen* whereas those drawn to the more direct youth narrative had *Demian* Over the years Hesse's *Fairy Tales* have become classics in their own right appreciated for their poetic imagery and philosophical depth beneath the veneer of fantasy Hesse's decision to revisit fairy tales a genre associated with cultural cohesion during this period underscores his attempt to reclaim narrative stability The collection's juxtaposition of mythic archetypes with modernist

ambiguity reflects broader Weimar era tensions between tradition and avant garde experimentation Historically it bridges prewar romanticism and the Neue Sachlichkeit s disillusioned realism capturing a society oscillating between nostalgia and reinvention This new edition features a fresh contemporary translation of Hesse s Fairy Tales into modern language Enhanced by an illuminating Afterword focused on Hesse s personal and intellectual relationship with Carl Jung a concise biography a glossary of essential philosophical terms integral to his writings his version of Jungian Psychological concepts and a detailed chronology of his life and major works this robust edition introduces the reader to the brilliance of his literature in context It not only captures the depth and nuance of Hesse s thought but also highlights its enduring impact on the debates of the mid 20th century contemporary culture and Western Philosophy across the 20th and into the 21st century

Short Story Index: 1969-1973 ,1974 **Strange News from Another Star** Hermann Hesse,1978 **Pictor's Metamorphoses** Hermann Hesse,2013-01-22 In the spring of 1922 several months after completing Siddhartha Hermann Hesse wrote a fairy tale that was also a love story inspired by the woman who was to become his second wife That story Pictor s Metamorphoses is the centerpiece of this anthology of Hesse s luminous short fiction Based on The Arabian Nights and the work of the Brothers Grimm the nineteen stories collected here represent a half century of Hesse s short writings They display the full range of Hesse s lifetime fascination with fantasy as dream fairy tale satire or allegory **Strange News from Another Star, and Other Tales** Hermann Hesse,Denver Lindley,1973 **Supplement, 1969-1973** Estelle A. Fidell,1974-12 An index to 11 561 stories in 805 collections **The Who's Who of Nobel Prize Winners, 1901-2000** Louise S. Sherby,2001-12-30 The Who s Who of Nobel Prize Winners is a one stop source of detailed information on the men and women who earned the Nobel Prize during the 20th century Organized chronologically by prize each extensive article contains in depth information on the laureate s life and career as well as a selected list of his or her publications and biographical resources on the individual A concise commentary explains why the laureate received the award and summarizes the individual s other important achievements This completely updated edition also contains a history of the prize Four indexes distinguish this title from similar biographical references and enable researchers to search by name education nationality or citizenship and religion **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1974 **Major 20th-century Writers** ,1991 **Science Fiction and Fantasy Literature, Vol 1** R. Reginald,2010-09-01 Science Fiction and Fantasy Literature A Checklist 1700 1974 Volume one of Two contains an Author Index Title Index Series Index Awards Index and the Ace and Belmont Doubles Index **Hermann Hesse** Joseph Mileck,2023-09-01 A critical biography far surpassing the previous ones Times Higher Education Supplement There are to be sure many writers whose biographies are more interesting than their fiction but Hesse is not one of these He led a long and sometimes eventful life with marital tensions travel controversy crises even some thoughts of suicide and a period of time as a student in a home for retarded and unmanageable In addition there was his search which led him through the culture and

arts of West and East his views of politics and society of psychology and philosophy The difference between Hesse and other writers is that virtually every shred and patch of his life was brought into his writing his fiction particularly He had to write about himself and there is little of what he wrote that is not confessional in form and therapeutic in function Autobiography is the very matter of his work Mileck's contribution is to extend and fill out the evidence of his life his psychoanalysis his drive toward self realization which was the very engine of his being to show the raw material and thus to invite readers to see how it was transmuted transfigured fantasized poeticized symbolized Los Angeles Times Hesse was a prolific author for some 60 years and his mind drew everything it contemplated into his private wars between flesh and spirit objectivity and subjectivity the longings for society and isolation No one is better qualified to disentangle this abundance than Mileck compiler of the huge two volume Hesse bibliography For completeness then no biography in English compares Kirkus Reviews Mileck provides his own translations of the German quotations from Hesse's works and the eight interpretive chapters are thoroughly indexed making the work readily accessible to researchers and students concerned with specific Hesse questions and themes This very readable book also contains a number of exceptional photographs which together with Mileck's fervor and understanding of the author help create a living image of Hesse the man and the artist Choice Professor Mileck brings to his task an acquaintanceship with Hesse's published and unpublished writings which borders on omniscience This is a literary biography which concentrates on the works and looks at the life of its subject briefly and always in relation to its involvement with the works This is true scholarship which does not make the book less readable and accessible to the general public a solid and valuable book which should make it easier to bring Hesse back into the orbit of serious appreciation in the English speaking world Books and Bookmen A critical biography far surpassing the previous ones Times Higher Education Supplement There are to be sure many writers whose biographies are more interesting than their fiction but Hesse is not one of these He led a long and sometimes eventful

Braille Books Library of Congress. National Library Service for the Blind and Physically Handicapped, 1981 **National Union Catalog**, 1978 Includes entries for maps and atlases *The National Union Catalogs, 1963-1964* **Encyclopedia of German Literature** Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings *Library of Congress Catalog* Library of Congress, 1974-10 A cumulative list of works represented by Library of Congress printed cards

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Strange News From Another Star And Other Tales eBooks, including some popular titles.

FAQs About Strange News From Another Star And Other Tales Books

What is a Strange News From Another Star And Other Tales PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Strange News From Another Star And Other Tales PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Strange News From Another Star And Other Tales PDF?**

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a**

Strange News From Another Star And Other Tales PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Strange News From Another Star And Other**

Tales PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools,

which may or may not be legal depending on the circumstances and local laws.
