Strange Artifacts William R. Corliss,1999 **Chixchulub was not Alone** GEORGE MITROVIC,2024-06-15 Was there only one cometary or meteoric impact that apparently caused the death of the dinosaurs There were several and some were much larger than we are led to believe Our planets history is much stranger than we are led to believe *Strange Phenomena; a Sourcebook of Unusual Natural Phenomena* ,1974 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1976 *The Biblical Basis for Modern Science* Henry Morris,2020-02-11 The Bible is Indeed a Book of Science Revealed By God We live in a scientific age and the proliferation of scientific knowledge and the resulting technologies seem almost endless Scientific discoveries and developments however can be a danger as well as a blessing to mankind The modern world is desperately in need of God s own wisdom concerning the purpose and meaning of true science When you move beyond modern assumptions and false preconceptions the Bible is found to not only reveal a thoroughly modern perspective on the real facts and principles of science but also to provide wisdom and guidance concerning its proper role in human life Biology is the science of life and Christ himself is life Geology is the science of the earth and He is the Creator of the ends of the earth We also could speak of other sciences but all must ultimately be ascribed to Christ True knowledge of any component of His creation must depend ultimately on the knowledge of Christ and His Word Reveals biblical insights for cosmology astronomy physics thermodynamics chemistry geology paleontology biology anthropology and more Brings to light how scientific and statistical evidence rationally evaluated favor God over evolution **Strange Artifacts** ,1976 *The Occult in the Western World* Cosette N. Kies,1986 [Mothman](#) Loren Coleman,2017-12-18 Loren Coleman has taken a hard look at one of America s most haunting monsters and discovered that it s more terrifying than we ever knew Read this book now before it s too late You ve been warned Richard Hatem screenwriter The Mothman Prophecies Mothman Evil Incarnate by cryptozoologist Loren Coleman is a brand new companion title to the late John Keel s The Mothman Prophecies 1975 which investigated the sightings of a winged creature called Mothman and became popularized in the 2002 movie of the same name starring Richard Gere With new material by Loren Coleman extensive annotations on each chapter of The Mothman Prophecies a detailed Mothman death list and a gallery of images Mothman Evil Incarnate comprises the most up to date information on Mothman phenomena In addition to providing context to John Keel s cult classic Coleman expands on missing details from the movie explores the deaths that followed the West Virginia incident describes the recent Chicago Mothman sightings and delves into the life of John Keel This companion book should find its place on every Mothman aficionado and cryptozoology fan s bookshelf The mystery continues [The Lost Civilization of Lemuria](#) Frank Joseph,2006-05-17 A compelling new portrait of the lost realm of Lemuria the original motherland of humanity Contains the most extensive and up to date archaeological research on Lemuria Reveals a lost ancient technology in some respects more advanced than modern science Provides evidence that the perennial philosophies have their origin in

Lemurian culture Before the Indonesian tsunami or Hurricane Katrina s destruction of New Orleans there was the destruction of Lemuria Oral tradition in Polynesia recounts the story of a splendid kingdom that was carried to the bottom of the sea by a mighty warrior wave a tsunami This lost realm has been cited in numerous other indigenous traditions spanning the globe from Australia to Asia to the coasts of both South and North America It was known as Lemuria or Mu a vast realm of islands and archipelagoes that once sprawled across the Pacific Ocean Relying on 10 years of research and extensive travel Frank Joseph offers a compelling picture of this mother land of humanity which he suggests was the original Garden of Eden Using recent deep sea archaeological finds enigmatic glyphs and symbols and ancient records shared by cultures divided by great distances that document the story of this sunken world Joseph painstakingly re creates a picture of this civilization in which people lived in rare harmony and possessed a sophisticated technology that allowed them to harness the weather defy gravity and conduct genetic investigations far beyond what is possible today When disaster struck Lemuria the survivors made their way to other parts of the world incorporating their scientific and mystical skills into the existing cultures of Asia Polynesia and the Americas Totem poles of the Pacific Northwest architecture in China the colossal stone statues on Easter Island and even the perennial philosophies all reveal their kinship to this now vanished civilization *The Library Journal Book Review* ,1977 **Dr. Bizarro's Eclectic Collection of Strange and Obscure Facts** Stephen Spignesi,2018-04-10 Weirdness abounds in this unprecedented compilation of peculiar facts including forms of divination bizarre tortures invasive medical tests celebrity UFO sightings crucified saviors other than Jesus banned books elements of a near death experience curious tourist attractions ridiculous sex laws and much more Dr Bizarro s Eclectic Collection of Strange and Obscure Facts is a fascinating and irresistible compendium of bizarre info and trivia that will engage and surprise every reader **UFOs and the Extraterrestrial Contact Movement: The extraterrestrial contact movement** George M. Technology of the Gods lays out the mind bending evidence that long lost civilizations had attained and even exceeded our modern level of advancement Westerners have been taught that humankind has progressed along a straight line path from the primitive past to the proficient present but the hard fast evidence literally written in stone proves that the ancients had technologies we cannot even replicate today *Advanced Civilizations of Prehistoric America* Frank Joseph,2009-12-21
