Strange Memories:

The Pict Jack Dixon, 2007 Calach stood His anger was surfacing and he felt suddenly seized by the demons he had been struggling to contain Sioltach stared at Calach in admiration as he quickly translated his words Why have you lost one legion soon to be followed by another Look and see Your soldiers are wide eyed Roman lads fighting beside non Romans who were your enemies longer than they have been your slaves They are bewildered by a strange and frightening land They are bound to you not by loyalty but by fear and when their fear ends only hatred will remain For all of your pomp you have none of what inspires men to victory Your soldiers fight for nothing but the glory of an empire that has crushed their own nations and tribes They have no wives to inspire them and no parents to mock them should they shrink from battle They have no country or if they do it is not Rome and it is in ruins Agricola began to grow pale He was certain that he would die at the hands of this man whose spirit he could not comprehend

My name is Sam Shane Kelly, 2020-02-13 Twenty five OMG A quarter century already A thousand experiences but only a continuous blur like two passing trains when recalled One thing my parents learned from when I started to talk until I started school was that I talked and talked and held nothing back I fought I screamed I entertained I conversed I engaged and I was beguiling I was different and I knew it I was a gift from God and a star and it all came naturally My next twenty five years will build on the bedrock of my formative years I will be able to look back on them whether as wife mother grandmother and definitely as one of the twenty must know people in Hong Kong and see how these early events and experiences shape the

person I will ultimately become _____ If sixty plus years is not enough to live our dreams and become how can twenty five years be How do you deal with the very tangible yet mystical appearance of death into a young life What was the sum total of Samantha s short life packed up into A vast trove of memories contrived from various footprints Facebook posts photos and mainly my own memories and those of her myriad friends all over the world Samantha constantly reminds me to squeeze every possible minute from the life I have yet to live It struck me when I commenced this work I knew far too little of my girl but along the way with the revelations of others I have come to know her a little better and to love her even a little more

Cheating Death Twice Michael Page,2013-11-15 What exactly is the Human Mind Unique in this entire world yes but how exactly does it work what exactly is it made of Where exactly is it And the question the author poses is is your thinking mind actually what the Bible refers to as your spiritual soul And if it really is a spiritual soul can it really survive mortal death What force powers it Just flesh and blood or is there some other invisible divine force behind its incredible powers The author confesses to having been born into this life complete with memories of several previous lives It was after these previous lives that he also remembers being born literally remembering being squeezed out of his mother s womb And if that is not amazing enough he also truly believes that he can remember being conceived in his mother s womb A dramatic out of body experience has given the author confirmation that your id your inner being and your purest spiritual form can and will survive outside the body quite independently without any body mass The author was once a sailor on a Tall Sailing Ship and recalls drowning in the cold sea and later in another life he recalls serving as a Soldier in the First World War and so is able to theorise how when the time comes one can
