Riddley,2013-10-17 In God We Trust Our nation is undergoing a national reckoning for sins of descendants of generations past The evil done by our descendants are the generational curses that we are now unprepared to accept that is the reality of what these evils of the past we have inherited in our disobedience to the God we profess to serve has now given us over to the enemy of our souls to deliver in masses the souls of this generation into such carnage that will lead to our ultimate destruction Our sins as a church and a nation have found us out Thats why America is on fire and as a recent sign to get our attention nineteen souls were sacrificed in a fiery hell for the injustices not only to our own citizen but around the world as self appointed policemen This is the curse upon us as the scenarios will lead up to God turning our enemies on us until we will no longer exist at all as a nation This article I writing under duress with tears of
