**The Publishers' Circular and Booksellers' Record**, 1929

American First Editions Merle De Vore Johnson, 1929

*Romanticism and the Question of the Stranger* David Simpson, 2024-05-31 In our post 9 11 world the figure of the stranger the foreigner the enemy the unknown visitor carries a particular urgency and the force of language used to describe those who are different has become particularly strong But arguments about the stranger are not unique to our time In *Romanticism and the Question of the Stranger* David Simpson locates the figure of the stranger and the rhetoric of strangeness in romanticism and places them in a tradition that extends from antiquity to today Simpson shows that debates about strangers loomed large in the French Republic of the 1790s resulting in heated discourse that weighed who was to be welcomed and who was to be proscribed as dangerous Placing this debate in the context of classical biblical and other later writings he identifies a persistent difficulty in controlling the play between the despised and the desired He examines the stranger as found in the works of Coleridge Austen Scott and Southey as well as in depictions of the betrayals of hospitality in the literature of slavery and exploration as in Mungo Park's Travels and Stedman's Narrative and portrayals of strange women in de Sta l Rousseau and Burney Contributing to a rich strain of thinking about the stranger that includes interventions by Ricoeur and Derrida *Romanticism and the Question of the Stranger* reveals the complex history of encounters with alien figures and our continued struggles with romantic concerns about the unknown

**Book-prices**

**Current**, 1906

*Book-prices Current* John Herbert Slater, William Roberta, F. Partridge, 1906

*The Official Price Guide*

*to Collecting Books* Marie Tedford, Pat Goudey, 2008 The antiquarian's reference to old books features thousands of listings including hundreds of new titles a new Internet buying guide a complete glossary of book collecting terms research resources information on dealers and advice on buying selling and maintaining fragile acquisitions Original American first editions; bibliographic check list of the works ... Merle De Vore Johnson, 1929 *The Strangers Book* Lloyd Pratt, 2016 The Strangers Book explores how various nineteenth century African American writers radically reframed the terms of humanism by redefining what it meant to be a stranger Rejecting the idea that humans have easy access to a common reserve of experiences and emotions they countered the notion that a person can use a supposed knowledge of human nature to claim full understanding of any other person's life Instead they posited that being a stranger unknown and unknowable was an essential part of the human condition Affirming the unknown and unknowable differences between people as individuals and in groups laid the groundwork for an ethical and democratic society in which all persons could find a place If everyone is a stranger then no individual or class can lay claim to the characteristics that define who gets to be a human in political and public arenas Lloyd Pratt focuses on nineteenth century African American writing and publishing venues and practices such as the Colored National Convention movement and literary societies in Nantucket and New Orleans Examining the writing of Frederick Douglass in tandem with that of the francophone free men of color who published the first anthology of African American poetry in 1845 he contends these authors were never interested in petitioning whites for sympathy or for recognition of their humanity Instead they presented a moral imperative to develop practices of stranger humanism in order to forge personal and political connections based on mutually acknowledged and always evolving differences English American Rhythms Iii (worktext) 1st Ed. 1993 , **AB Bookman's Weekly** , 1996 **WHILE GOD SLEPT** Mario Perera, Don't Talk to Strangers Online Shannon Miller, Sara Swan Miller, 2013-07-15 Readers learn from a young age not to talk to strangers they encounter in the real world but they may not understand the danger of talking to strangers online Accessible text explains why this is unsafe and informs readers of what they should do if someone online says things that make them uncomfortable The awareness raised in students will help them become confident and safe Internet users

## Embracing the Song of Expression: An Emotional Symphony within **Stranger 1st Edition**

In some sort of taken by displays and the ceaseless chatter of instant transmission, the melodic beauty and psychological symphony produced by the prepared term frequently diminish into the backdrop, eclipsed by the relentless noise and distractions that permeate our lives. But, nestled within the pages of **Stranger 1st Edition** a marvelous literary prize brimming with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that captivating masterpiece conducts visitors on a psychological journey, well unraveling the hidden melodies and profound influence resonating within each carefully constructed phrase. Within the depths of the touching assessment, we shall examine the book is main harmonies, analyze their enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
