A Stand-Alone Boy and the Utterly Profound Touch of Heaven Arthur Lucas Jones, 2019-02-23 Seeing thoughts as text to quote a creative poet has been part of what is attempted here The Child at Bethlehem who became the adult Jesus of Nazareth has never left us He left no money or property He left the Paraclete as his Voice and listener We do not pray through a ceiling we pray to someone who calls out alongside us and brings our prayers to the heart of God I have been conversing with Jesus every day since I was a child Prayer is both speaking and listening to God The term used to describe this process and experience is The Utterly Profound Touch of Heaven I call its practice Conversational Spirituality and I want to share it It is based on our innate capacity to turn thoughts into speech and listen for the response and then turn our thoughts into texts for the guidance of life That's how the New Testament was written Welcome the Christ as we speak and listen to him through his bequeathed Voice in the world the Paraclete We speak and we listen That's how we talked to God so naturally as children Let's recapture it We are speech making beings and there is no point in speech without a listener to respond The brand here is Christian but it applies with great respect across the board to all faiths and wider spiritual searches A scientist uses many lenses to see the universe and we use many lenses to see God Sometimes we stand alone to do it as with the boy and man in this book My personal life has its unusual traits for my profession in that I have been married three times That is not hidden here A trail of sadness has

followed me as well as a trail of joy Read on to follow the unusual aspects of my story ultimately as a Bishop of the Church I pay tribute to those leaders of the Church who gave me permission via compassion to emerge with someone at my side who encouraged me to stay fully alive as a person of faith That is a great gift of love and forgiveness This story is set in very diverse backgrounds and cultures The spirituality herein depends on the still small voice of God answering our speech when it is projected into the mystery of God That is a clear test of faith in the Numinous the Divine Presence Stranger Of Galilee, The Mrs C H. Morris, Arranged By Sturgis Mable Miller The Stranger of Galilee ... Charles Digby Wardlaw,1979

Newnam,2018-02-08 As King Hiram of old I have always been a lover of David David was a warrior king of Israel and was referred to by God as a man after mine own heart David s shield and buckler protected him from attack from the enemy I pray the poems God has given me provide similar protection for the readers of these poems The Basileia Code Douglas E. Clanton,2017-08-04 What did Jesus mean when he said many are called but few are chosen Why are there so many different denominations and divisions in the church world Have our scholars learned everything there is to know about the Bible Has God really hidden truth in his Word for our time Are you ready for what will happen next in the schedule of cosmic events Get ready for the journey of a lifetime through the hidden mysteries of the Word of God Solomon put it so well when he wrote Wisdom is the principal thing therefore get wisdom and with all thy getting get understanding Prov 4 7 But do wisdom and understanding just drop into our laps or do we have to take some sort of action to acquire them This book will provide an amazing new understanding of Jesuss teachings on salvation and eternity as well as other Bible prophecy specific to the times in which we now live You dont have to fear what comes next When you apply The Basileia Code to the prophecies of old you will begin to unlock new meaning in the messages recorded in the Word of God thousands of years ago Jesus made it clear that salvation is free and easy to receive But if this is true why does it seem there are so many mandates to follow in order to stay saved Where do my works fit in What is the meaning of this life in relation to eternity In other words why am I here What really happens when this temporal existence is over How can I prepare myself in this life for my place in the next
