Diversity and Aging Among Immigrant Seniors in Canada Douglas Durst, Michael MacLean, 2010-01-01 Historically Canada has been a nation of immigrants with 16 20% of its citizens being foreign born Most immigrant research addresses the issues of integration and adjustment of young and adult immigrants with little work on aging There are numerous books on immigrants and books on aging but there are few that have considered the topics of both diversity and aging Diversity and Aging among Immigrant Seniors in Canada breaks from that tradition and offers an eclectic collection of original research from among Canada's leading researchers on aging and immigrants Some researchers refer to this emerging field as Ethno gerontology There are two interesting groups of immigrant seniors those who entered Canada at over 65 years of age and those who aged in Canada Most Canadians are surprised to learn that the senior population of seniors has a higher percentage of immigrants 19 6% than the general population 13 7% As Canadians age the country's composition of immigrant seniors has also changed from mainly European to greater cultural and ethnic diversity from Africa and Asia This cultural and ethnic diversity has social health economic policy implications and impacts on programs and services delivered to seniors Diversity and Aging among Immigrant Seniors in Canada is divided into two main sections In Part 1 the chapters explore general and universal issues such as national trends and demographics theoretical orientations issues of culture and legal dimensions poverty and income and end of life care In Part 2 the chapters examine issues pertaining to specific ethnic groups For example there are chapters on the social well being of Chinese immigrants

determinants of mental health for Iranian seniors family dynamics for aging Haitian elders and emerging issues for Punjabi families Diversity and Aging among Immigrant Seniors in Canada offers both breadth and depth to the topic of aging among immigrants and is a must read for social work and health care professionals students in health and social services policy and program planners and families of aging immigrants It is written in a language that crosses disciplines shedding professional jargon making it an informative and engaging read for professionals researchers and the general public **Contested**

Ethnic Identity Chris Kostov, 2010 During the twentieth century Macedonia had a very turbulent history Essentially the region became the apple of discord among the Balkan states Ethnic identity formation among immigrants from Macedonia to Canada followed the political developments in the Balkans This book illustrates the late emergence of an ethnic Macedonian community in Toronto and the roots of the clash between the Macedonian Greek and Bulgarian ethnic communities The author tackles a number of important questions When did the Macedonian ethnic identity start in Canada What was the ethnic affiliation of the first Macedonian immigrants cultural organizations and churches in Toronto Why did they use the Bulgarian language Why do their first churches continue to be called Macedono Bulgarian churches Did all immigrants have one monolithic ethnic identity The author relies upon three different types of literature national identity development and theories Balkan history and ethnic studies of the Bulgarian Macedonian and Greek settlements of Toronto Oral interviews conducted in Toronto by the author and other researchers enhance this volume The book sheds light on a much contested subject which continues to fuel debate from Skopje Athens and Sofia to Toronto and Melbourne Publisher's description **A**

Paul J Weindling Robert A Wilson Gregor Wolbring and Marc Workman **Multiculturalism In Canada: Evidence and Anecdote** Andrew Griffith,2015-08 With over 20 percent of the population foreign born and with more than 250 ethnic origins Canada is one of the world s most multicultural societies Canada s ethnic and religious diversity continues to grow alongside immigration Yet how well is Canada s model of multiculturalism and citizenship working and how well are Canadians whatever their ethnic or religious origin doing Will Canada s relative success compared to other countries continue or are there emerging fault lines in Canadian society Canadian Multiculturalism Evidence and Anecdote undertakes an extensive review of the available data from Statistics Canada Citizenship and Immigration Canada operational statistics employment equity and other sources to answer these questions and provide an integrated view covering economic outcomes social indicators and political and public service participation Over 200 charts and tables are used to engage readers and substantiate the changing nature of Canadian diversity **The Schematic State** Debra Thompson,2016-10-20 By examining the political development of racial classifications on the national censuses of the United States Canada and Great Britain The Schematic State maps the changing nature of the census from an instrument historically used to manage and control racial populations to its contemporary purpose as an important source of statistical information employed to monitor and rectify racial discrimination Through a careful comparative analysis of nearly two hundred years of census taking it demonstrates that changes in racial schemas are driven by the interactions among shifting transnational ideas about race the ways they are tempered and translated by nationally distinct racial projects and the configuration of political institutions involved in the design and execution of census policy This book argues that states seek to make their populations racially legible turning the fluid and politically contested substance of race into stable identifiable categories to be used as the basis of law and policy **Strangers at Our Gates Canadian Immigration and Immigration Policy, 1540-2006 Revised Edition** ,2007 Immigrants and immigration have always been central to Canadians perception of themselves as a country and as a society In this crisply written history Valerie Knowles describes the different kinds of immigrants who have settled in Canada and the immigration policies that have helped to define the character of Canadian immigrants over the centuries Key policymakers and moulders of public opinion figure prominently in this colourful story as does the role played by racism This new and revised edition contains additional material on immigration to Newfoundland and Nova Scotia sections on the evacuee children of the Second World War and Canadian War Brides and material relating to significant developments in the immigration and refugee field since 1996 Special attention is paid to the Immigration and Refugee Protection Act of 2001

The Routledge History of Genocide Cathie Carmichael,Richard C. Maguire,2015-05-01 The Routledge History of Genocide takes an interdisciplinary yet historically focused look at history from the Iron Age to the recent past to examine episodes of extreme violence that could be interpreted as genocidal Approaching the subject in a sensitive inclusive and respectful way each chapter is a newly commissioned piece covering a range of opinions and perspectives The topics discussed are broad in

Genuine Multiculturalism Cecil Foster, 2013-12-01 While many modern societies are noted for their diversity the resulting challenge is to determine how citizens from different backgrounds and cultures can see themselves and each

other as equals and be treated equally In *Genuine Multiculturalism* Cecil Foster shows that a society's failure to bridge these differences is the tragedy of modern living and that pretending it is possible to mechanically develop fraternity and solidarity among diverse groups is akin to seeking out comedy Arguing that genuine multiculturalism is the search for social justice by individuals who have been trapped by ascribed identities or newcomers who have been shut out of perceived ethnic homelands Foster details how this process in essence is the story of the Americas Reconceptionalizing the terms of multiculturalism he offers an intervention into Canada's claim that its definition and practice are based on recognizing equality of citizenship Identifying genuine multiculturalism as an ongoing work in progress rather than a tightly defined policy position Foster challenges readers to imagine a greater and more harmonious ideal A necessary theoretical reconsideration of diversity within society *Genuine Multiculturalism* refocuses the debate about ideals and practices in modern societies
