**No Longer a Stranger** Joan Johnston, 2005-02-15 Get swept back to the untamed American West in this thrilling romance filled with powerful passion and breathtaking action in the days after the Civil War from the New York Times bestselling author of the Bitter Creek series. The Civil War was over but new dangers lay in wait across the open frontier. Disguised as a boy in buckskins, pretty Rebecca Hunter wasn't afraid of any enemy who might cross her path in the Rocky Mountains. She vowed never to belong to any man until she met city-bred Christopher Kincaid, the stranger she rescued from a fierce band of Sioux. All too quickly she learned how powerful an attraction can be between a man and a woman. No Indian ambush could scar Kincaid as deeply as the tragic loss and broken heart he suffered in the war. Now being nursed back to health by Reb in an isolated mountain cabin, he found himself coming alive with a powerful desire for her. But how could he know that his mission for the government would jeopardize his chances of winning Reb's heart, bring down the wrath of a renegade Sioux chief, and test the lengths he'd be willing to go to convince this passionate woman to stay beside him for all time.

**Stranger** Sherwood Smith, Rachel Manija Brown, 2014-11-13 Many generations ago a mysterious cataclysm struck the world. Governments collapsed and people scattered to rebuild where they could. A mutation, the Change, arose, granting some people unique powers. Though the area once called Los Angeles retains its cultural diversity, its technological marvels have faded into legend. Las Anclas now resembles a Wild West frontier town where the Sheriff possesses superhuman strength, the doctor can warp time to heal his patients, and the distant ruins of an ancient city bristle with deadly crystalline trees that take their jewel-like colors from the clothes of the people they killed. Teenage prospector Ross Juarez's best find ever, an ancient book he doesn't know how to read, nearly costs him his life when a bounty hunter is set on him to kill him and steal the book. Ross barely makes it to Las Anclas, bringing with him a precious artifact, a power no one has ever had before, and a whole lot of trouble.
