**In the Company of Strangers** Barry McCrea, 2011-06-14 In the Company of Strangers shows how a reconception of family and kinship underlies the revolutionary experiments of the modernist novel While stories of marriage and long lost relatives were a mainstay of classic Victorian fiction Barry McCrea suggests that rival countercurrents within these family plots set the stage for the formal innovations of Joyce and Proust Tracing the challenges to the family plot mounted by figures such as Fagin Sherlock Holmes Leopold Bloom and Charles Swann McCrea tells the

story of how bonds generated by chance encounters between strangers come to take over the role of organizing narrative time and give shape to fictional worlds a task and power that was once the preserve of the genealogical family By investigating how the question of family is a hidden key to modernist structure and style In the Company of Strangers explores the formal narrative potential of queerness and in doing so rewrites the history of the modern novel Family Romance John Lanchester,2008-01-29 The author of The Debt to Pleasure digs into his family s extraordinary past in a memoir as enthralling as his finest fiction It was only when his mother died that John Lanchester realized how little he really knew about his parents With the cache of letters and papers she left behind he set out to reconstruct just who his parents had been In doing so he did much more than trace the remarkable story of a reluctant international banker a secretive former nun and the life they shared he also gained extraordinary insight into his own nature and a deeper understanding of the universal push pull of family love and family loss Part detective work part evocation of character this is above all compelling storytelling Strangers Emma Tennant,2003 The penultimate chapter portrays the decline of Emma s uncle the famous aesthete Stephen Tennant who was written about by V S Naipaul in The Enigma of the Arrival Deeply evocative and atmospheric and written with stunning detail Strangers is as The Guardian explains a historical chronicle but also a reverie on where you put your family inside yourself **A New World (Wyoming Wildflowers feel-good romance series, Book 5) A laughter-and-tears fake marriage opposites attract romance** Patricia McLinn,2014-03-09 Eleanor never took risks until Cahill Eleanor Thatcher refuses to be charmed by the Irish singer who can make or break her small town beachfront restaurant Yes she hires him to strum up business for the business she runs with her cousin But she s far far too practical for a workplace romance or to fall for a fantasy spinner like Aidan Padraic Cahill McCrea Yes she feels his spell but they are polar opposites and bitter reality has taught Eleanor that dreamers drift on leaving heartache behind Yes she takes the biggest risk of all with a marriage she embarks on strictly to solve a business issue then discovers far more is on the line Cahill finds the woman he wants to share his future with in strong minded too serious for her own good Eleanor He sees the gleam of dreams deep in her solemn eyes he longs to make laugh She ll marry him but will she love him if he can t convince her of his staying power And his time is running out fast to tell her the parts of his story he s left out to make her his true bride When his sexy Irish eyes are smiling she s in danger of losing her head and her heart I loved the depth of the characters the subtle humor and the touch of suspense And Cahill is YUM 5 star review A New World can be read as a standalone strangers to lovers opposites attract fake marriage romance novel where laughter and tears abound It also sets up Jack s Heart Book 6 of the Wyoming Wildflowers feel good romance series Eleanor s cousin Valerie Trimarco is happy to push Eleanor into heart stirring romance in A New World then it s her turn to face major changes including a pair of life altering stays in Wyoming Continue to follow the intersecting lives and loves from these two books in A Cowboy Wedding a matrimonial celebration at the Slash C Ranch in Knighton Wyoming that also ropes in characters from other Patricia McLinn

Belk,2018-09-05 How do people communicate their romantic feelings Gift giving is one way Giving and receiving of gifts is

a characteristic of intimate relationships Gifts are a message a form of communication with a tangible material object about love affection or concern for the recipient The romantic gift evokes a multitude of intertwined meanings passion intimacy affection persuasion care celebration altruism and nostalgia They can also connote the negative images of obligation and reciprocity Romantic gift giving may be practiced at rituals during rites of passage or for casual occasions to affirm the continued importance of the romantic relationship We may even romanticize the giving of gifts to the self to nonhuman companions and to others we do not know personally If loving and giving are a practice then romantic gift giving is a practice of loving with intimate or would be intimate others This book addresses gift giving among consumers attempting to express and construct romantic love It lies at the intersection of consumption markets and culture In societies shaped by the globalizing neo liberal economic order increasing wealth disparity and a partially digitized social environment that they help to co construct it may be time to rethink romantic love Gift giving is a key arena to do so as gifts make love tangible and act as carriers of meaning as well as cultural symbols In gift giving the meanings of romance are renewed renegotiated and reconstructed Gifts Romance And Consumer Culture demonstrates a wide variety of scholarly work bearing on romantic gift giving using an interpretive consumer research perspective The book introduces critical studies by scholars in this unfolding and new interdisciplinary field

*Strangers at Home* Rita Keresztesi, 2005-01-01 *Strangers at Home* reframes the way we conceive of the modernist literature that appeared in the period between the two world wars This provocative work shows that a body of texts written by ethnic writers during this period poses a challenge to conventional notions of America and American modernism By engaging with modernist literary studies from the perspectives of minority discourse postcolonial studies and postmodern theory Rita Keresztesi questions the validity of modernism's claim to the neutrality of culture She argues that literary modernism grew out of a prejudiced racially biased and often xenophobic historical context that necessitated a politically conservative and narrow definition of modernism in America With the changing racial ethnic and cultural makeup of the nation during the interwar era literary modernism also changed its form and content Contesting traditional notions of literary modernism Keresztesi examines American modernism from an ethnic perspective in the works of Harlem Renaissance immigrant and Native American writers She discusses such authors as Countee Cullen Nella Larsen Zora Neale Hurston Anzia Yezierska Henry Roth Josephina Niggli Mourning Dove D Arcy McNickle and John Joseph Mathews among others *Strangers at Home* makes a persuasive argument for expanding our understanding of the writers themselves as well as the concept of modernism as it is currently defined
