Calling WPC Crockford Ruth D'Alessandro,2022-03-03 In the early 1950s the Berkshire Constabulary finally opened its ranks to more women And WPC Crockford was one of those early pioneers When 21 year old Gwendoline Crockford signed up to join the Berkshire Constabulary in 1951 she had little idea of what she was getting herself into Whether carrying a human skeleton out of the woods finding a missing child investigating thefts or chasing an escaped zebra every day brought fresh adventures In this nostalgic tender and honest account of post war British society we follow a bright determined woman navigating a man s world serving as many people as she can From performing traffic duties to unravelling a dark secret at the heart of an impoverished family WPC Crockford s career was full of joy thrills and heartbreak Written by her daughter Ruth this is the story of a real life woman police constable as she embarks on her police career *Greenwich Secrets* Claudette Rothman and Gerald L. Jones,2010-03-23 Lizzy Dawson a tall dark and beautiful woman with chestnut hair and hazel eyes might at first glance seem like a typical Greenwich housewife In a place like Greenwich Connecticut nothing

is typical or ordinary and Lizzy is no exception to that rule Through an innocent enough hobby of internet blogging she managed to stumble onto a story a story about murder among the rich and powerful This community of the nation s leading finance and banking magnates has its share of back alley secrets and back room deals But this story was one which reached to the top levels of the elite classes and to the bedrooms of multimillion dollar mansions Lizzy dug deep into the boardrooms and boudoirs to find out the truth about the murder of William Pierce a man caught up in the glamour secrets and sex of this tiny town Little did she know that this story would lead to a criminal investigation and change her life forever *Shifting Paths* Sandra L. Koehler,2013-11-08 Crashing through the desert shrubbery Dillon raced for his life as watchful eyes peered down from above The secret of his fate remained unknown until his older sister Suzette made a three day hike into the Superstition Wilderness with her good friends Timber and Doug and four high school students The challenges the teenagers were dealing with seemed minor in comparison to what they faced in the wilderness Nate had been frustrated with his mom her boyfriends and a threatening drug supplier Marcie lived with an alcoholic dad and her abused mom Jonah had to fend for himself as his parents lived the life of the rich and self indulgent while Markus risked an athletic scholarship to protect a teammate Attacked and threatened by wildlife and cataclysmic events out of their control they had to work together to survive Forced to shift paths each of the hikers faced adversity and unexpected challenges to make it back to civilization
