

The background of the slide is a vibrant cosmic scene. It features a deep blue and black space filled with numerous stars of varying sizes and colors. A prominent, bright white star with a multi-pointed diffraction pattern is located in the upper right quadrant. Sweeping across the middle of the image are several colorful, ethereal bands of light in shades of red, orange, and purple, resembling nebulae or the trails of a comet. In the lower right corner, a portion of a planet with a blue and white atmosphere is visible. The overall composition is dynamic and visually rich, evoking a sense of vastness and wonder in the universe.
