Published in association with the Strategic Management Society, THE WILEY STRATEGIC MANAGEMENT SERIES aims to illustrate the best in global strategic management for academics, business practitioners and consultants. This book expands the understanding of strategic opportunities presented by the far reaching developments unfolding in the rapidly changing world economy, and in particular how they are impacting the North and South American continents.

This wide-ranging collection of papers comprises a rich body of research and experience, spanning academics, business executives and consultants. Key emphasis is placed on competition and core competences, joint ventures and strategic alliances, and corporate performance.

Writings included in this volume were selected as being representative of some of the most significant issues currently facing business strategists.
