Kathryn L. Mahaney

Taking Back The Streets Women Youth And Direct:

Taking Back the Streets Temma Kaplan, 2004-02-16 Toward the end of the twentieth century in places ranging from Latin America and the Caribbean to Europe the United States South Africa Nigeria Iran Japan China and South Asia women and young people took to the streets to fight injustices they believed they could not confront in any other way In the hope of changing the way politics is done they called officials to account for atrocities they had committed and unjust laws they had upheld They attempted to drive authoritarian governments from power by publicizing the activities these officials tried to hide This powerful book takes us into the midst of these movements to give us a close up look at how a new generation bore witness to human rights violations resisted the efforts of regimes to shame and silence young idealists and created a vibrant public life that remains a vital part of ongoing struggles for democracy and justice today Through personal interviews newspaper accounts family letters and research in the archives of human rights groups this book portrays women and young people from Argentina Chile and Spain as emblematic of others around the world in their public appeals for direct democracy An activist herself author Temma Kaplan gives readers a deep and immediate sense of the sacrifices and accomplishments the suffering and the power of these uncommon common people By showing that mobilizations sometimes accompanied by shaming rituals were more than episodic more than ways for societies to protect themselves against government abuses and even state terrorism her book envisions a creative political sphere a fifth estate in which ordinary citizens can reorient the political practices of democracy in our time

Sex in Revolution Mary Kay Vaughan, Gabriela Cano, Jocelyn H. Olcott, 2007-01-17 A collection of histories showing how women participated in Mexican revolutionary and postrevolutionary state formation by challenging conventions of sexuality work family life and religious practice

Feminism, National Identity and European Integration in Modern Spain Kathryn L. Mahaney, 2024-04-18 This book explores the evolution of Spanish feminism in the context of European feminisms and institutions from the 1960s to recent times Beginning with Sección Femenina the official Francoist women's organization *Feminism National Identity and European Integration in Modern Spain* traces the interplay between Spanish women's policy and international policymaking In some cases as with the Sección Femenina championed Law of Political Rights Ley de Derechos in 1961 Spanish women's policy at least appeared more progressive than what Western democracies offered notable at a time when Spain was considered backward After Franco's death in 1975 Spain's democratic transition seemingly consolidated forward thinking women's policy with a Constitution that guaranteed equality of the sexes in 1978 and with the creation of a national bureau charged with crafting women's policy the Instituto de la Mujer Women's Institute in 1983 Yet feminists found themselves marginalized in Spanish political decision making as Kathryn L. Mahaney argues so successfully in this study Mahaney reveals that women ultimately influenced domestic policy not by acting within national networks but by leveraging European connections particularly after Spain joined the European Economic Community EEC in 1986 The book shows that Spanish feminists worked through the EEC to

gain international approval of policies that had met domestic opposition and did so by representing them as necessary litmus tests of nations democratic integrity Their proposals were shaped by the specific context of Spanish feminism but also by Spanish debates about what rights democracies should grant women and what equality in a post fascist nation should encompass This ground breaking study explains that in turn these processes shaped both Spain s and the European Union s much prized self identities as democratic communities

Lost in the USA Deborah Gray White, 2017-03-09 Remembered as an era of peace and prosperity turn of the millennium America was also a time of mass protest But the political demands of the marchers seemed secondary to an urgent desire for renewal and restoration felt by people from all walks of life Drawing on thousands of personal testimonies Deborah Gray White explores how Americans sought better ways of living in and dealing with a rapidly changing world From the Million Man Million Woman and Million Mom Marches to the Promise Keepers and LGBT protests White reveals a people lost in their own country Mass gatherings offered a chance to bond with like minded others against a relentless tide of loneliness and isolation By participating individuals opened a door to self discovery that energized their quests for order autonomy personal meaning and fellowship in a society that seemed hostile to such deeper human needs Moving forward in time White also shows what marchers found out about themselves and those gathered around them The result is an eye opening reconsideration of a defining time in contemporary America

Gender History in Practice Kathleen Canning, 2006 The eight essays collected in this volume examine the practice of gender history and its impact on our understanding of European history Each essay takes up a major methodological or theoretical issue in feminist history and illustrates the necessity of critiquing and redefining the concepts of body citizenship class and experience through historical case studies Kathleen Canning opens the book with a new overview of the state of the art in European gender history She considers how gender history has revised the master narratives in some fields within modern European history such as the French Revolution but has had a lesser impact in others Weimar and Nazi Germany *Gender History in Practice* includes two essays now regarded as classics *Feminist History after the Linguistic Turn* and *The Body as Method* as well as new chapters on experience citizenship and subjectivity Other essays in the book draw on Canning s work at the intersection of labor history the history of the welfare state and the history of the body showing how the gendered social body was shaped in Imperial Germany The book concludes with a pair of essays on the concepts of class and citizenship in German history offering critical perspectives on feminist understandings of citizenship Featuring an extensive thematic bibliography of influential works in gender history and theory that will prove invaluable to students and scholars *Gender History in Practice* offers new insights into the history of Germany and Central Europe as well as a timely assessment of gender history s accomplishments and challenges

Radical Friend Nancy A. Hewitt, 2018-03-19 A pillar of radical activism in nineteenth century America Amy Kirby Post 1802-89 participated in a wide range of movements and labored tirelessly to orchestrate ties between issues causes and activists A conductor on the Underground Railroad co organizer of

the 1848 Rochester Woman s Rights Convention and a key figure in progressive Quaker antislavery feminist and spiritualist communities Post sustained movements locally regionally and nationally over many decades But more than simply telling the story of her role as a local leader or a bridge between local and national arenas of activism Nancy A Hewitt argues that Post s radical vision offers a critical perspective on current conceptualizations of social activism in the nineteenth century While some individual radicals in this period have received contemporary attention most notably William Lloyd Garrison Frederick Douglass and Lucretia Mott all of whom were friends of Post the existence of an extensive network of radical activists bound together across eight decades by ties of family friendship and faith has been largely ignored In this in depth biography of Post Hewitt demonstrates a vibrant radical tradition of social justice that sought to transform the nation *James and Esther Cooper Jackson* Sara Rzeszutek Haviland,2015-11-06 This dual biography examines the ideas and activism of two of the most committed and significant freedom fighters in twentieth century America Erik Gellman author of *Death Blow to Jim Crow* Growing up in Virginia during the Great Depression James E Jackson and Esther Cooper Jackson understood that opportunities came differently for blacks and whites men and women rich and poor They devoted their lives to the black freedom movement and saw a path to racial equality through the Communist Party This political affiliation would come to define not only their activism but also the course of their marriage as the Cold War years unfolded In this dual biography Sara Rzeszutek examines the couple s political involvement as well as the evolution of their personal and public lives in the face of ever shifting contexts She documents the Jacksons contributions to the early civil rights movement discussing their time leading the Southern Negro Youth Congress which laid the groundwork for youth activists in the 1960s their writings in periodicals such as *Political Affairs* and their editorial involvement in *The Worker* and the civil rights magazine *Freedomways* Drawing upon correspondence organizational literature and interviews with the Jacksons themselves Haviland presents a portrait of a remarkable pair who lived during a transformative period of American history Their story offers a vital narrative of persistence love and activism across the long arc of the black freedom movement *Social Movements, Cultural Memory and Digital Media* Samuel Merrill,Emily Keightley,Priska Daphi,2020-02-20 This collected volume is the first to study the interface between contemporary social movements cultural memory and digital media Establishing the digital memory work practices of social movements as an important area of research it reveals how activists use digital media to lay claim to circulate and curate cultural memories Interdisciplinary in scope its contributors address mobilizations of mediated remembrance in the USA Germany Sweden Italy India Argentina the UK and Russia **Democracy** Temma Kaplan,2015 Focusing on local movements to achieve equal distribution of social economic and political rights and natural resources *Democracy A World History* examines how ordinary and extraordinary men and women of different cultural and religious backgrounds have formed and attempted to sustain institutions that would permit them to live together in equality and peace **Reckoning with Pinochet** Steve J. Stern,2010-04-30 The first comprehensive account of how Chile came to terms with

General Augusto Pinochets legacy of human rights atrocities
