Taking Care of Business David Viscott,1985 *Resources in Education* ,1994 **The Real Truth about Aging** James N. Kvale,2004 *Primary Care Medicine for Psychiatrists* John R. Hubbard,Delmar Short,2013-11-11 Directly addressing the specific needs of psychiatrists and other mental health professionals this pioneering book is a first response guide to medical surgical neurological and special psychiatric problems that may be encountered in clinical practice The text features both the expert contributions of medical specialists and the guidance of board certified psychiatrists Quick and practical it may be searched either by specific diseases or symptoms Internal medicine neurology chronic pain surgery pediatrics and preventive health care are all addressed **New York Magazine** ,1991-11-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Taking Care of Business* David S. Viscott,1985 *Los Angeles Magazine* ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **The Private Practice of Behavior Therapy** Sheldon J. Kaplan,2013-03-08 Entering a full time private practice and forsaking the comforts of a regular paycheck was a difficult decision for me Fortunately I was able to begin my practice on a part time basis in space rented from two physician friends By using my behavior skills for self management and organization I was then able to help my practice grow so that with some trepidation I moved into a full time practice I have continued to maintain my practice according to the same ethical professional and business assumptions discussed in this book One of the reasons for my writing this book is that at the time I was beginning my practice there was no one text that helped me begin or to explain what nuts and bolts issues I needed to consider As my practice has grown I continued to see a need for a resource text to help the beginning therapist get started I decided to describe the assumptions methods and issues that I have used so as to present a discussion of timely issues relevant to the practice of behavior therapy
