Joint Economic Committee,1991 **National Economic Commission** ,1989 Economic Report of the President United States. Congress. Joint Economic Committee,1990 *The Economy in the 21st Century* United States. Congress. Joint Economic Committee,1995 **Economic Analysis for Investment Professionals** ,1997 **Congressional Record** United States. Congress,2004 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *Supply-Side Follies* Robert D. Atkinson,2007-10-29 Supply Side Follies is a progressive political and economic challenge to the current George W Bush policies It debunks commonly held assumptions of conservative economic policies centered on the obsession that tax cuts led to greater productivity and prosperity These fundamentally flawed policies are setting the United States up for a major economic downturn in the near future The 21st century knowledge economy requires a fundamentally different approach to boosting growth than simply cutting taxes on the richest investors The alternative is not however to resurrect old Keynesian populist economics as too many Democrats hope to do Rather as Rob Atkinson makes clear our long term national welfare and prosperity depends on new economic strategy that fits the realities of the 21st century global knowledge based economy innovation based growth economics **Economics, 98-99** Don Cole,1998
