Taking A Stand For God:

Taking a Stand Howard G. Hendricks, 1983 Standing for God Professor Samuel C. Obi, 2024-11-06 Standing for God is about taking a stand for God when every odd says not to. Written from a Christian's perspective and by someone who has experienced this dilemma for many years, this book aims to explain different facets of this issue and encourages its readers to take a stronger stand for the truth. If people don't take a stand for truth, bad things usually happen. The results of not taking a stand can come in the ways of sufferings for the innocent, losses, and even death. A teacher who winks at the sight of her students copying answers from other students is not doing those students any good service. A witness who decides to avoid taking a stand for truth could easily send the wrong person to jail or even death while the guilty person goes free to commit more crimes. The odds against God's righteousness and truth are numerous these days, but those who elect to stick with them are said to be the inheritors of the kingdom of heaven. Matthew 5:10-12. If the truth is lost, what shall the righteous do? This book is divided into seven distinct chapters. Chapter 1 introduces the topic and explains the preliminary issues and terminologies to set the stage for the rest of the book. Chapter 2 discusses the different ways of standing for the truth and God's principles. Chapter 3 looks at the important topic of standing for God for those who are in leadership. Chapter 4 discusses how to stand for God in families, schools, workplaces, and society. The unpopular topic about standing for God in difficult times is discussed in chapter 5. The unsung benefits of standing for God are discussed in chapter 6. Chapter 7 is included to help those who want to be born again to understand how to do so. *Become a Better You* Joel Osteen, 2009-08-04 Explains how to apply seven action steps to discover individual purpose and destiny in a guide complemented by biblical principles, devotions, and personal testimonies. Storms Of Life Okechukwu Victor, 2018-04-12 The existence of man's life is full of storms. Everyone is bound to face challenges. In June 2014, I flew into a spiritual storm which inspired the title of this book, *Storms of Life*. The details are too lengthy, but essentially, I had a crisis of faith. It was hard and frightening, but I thank God I wasn't swallowed up by the storm. During a storm, it is natural to panic. The natural response to the storms of life is doubt and fear, but Jesus tells us the response to storms should be trust because He is there to still the waves. With this book in your hand, you will learn about fifteen principles to traverse through and triumph the storms of life and certain factors that can cause one to stay in a prolonged storm and God's role in causing these storms. *Winning Is Everything* Roderick Zak, 2003 *Memoirs of a Woman in Politics* Joan M. Purcell, 2009-01-29 This book is revolutionary in multiple ways. It is intensely personal as well as instructively political, both in a revolutionary sense. Rare insight is to be gained of theological and ideological struggles. Sharp analysis is made of politics in the arena of the Anglophone Caribbean. The perspective of a woman freshens the analysis, and the revelation of the mind of a dedicated Evangelical Christian stamps uniqueness on every page. Furthermore, practical suggestions are made for the improvement of Western Parliamentary democracy in this part of the world. The prose is clear and artistic, and the information holds interest.

from beginning to end Modesty in personality and mastery in writing shine through the story that is compelling reading for anyone with the slightest interest in the history politics religion and culture of Anglophone Caribbean countries **Lord, Am I in a Cult?** Amy Mayfield Wharton,2023-10-02 Can you imagine being deceived and manipulated by someone that supposed to have your best interest in mind Can you imagine putting so much trust and faith in a person to the point he she has been made an idol Can you imagine being in a place where you thought you were serving God but when the blinders come off in reality man was being served Can you imagine belonging to a church that the leader has turned into a cult I can How could I be sitting under a false prophet in sheep s clothing Matthew 7 15 KJV Why didn t I see the fruit of this leader Matthew 7 16 KJV So many broken marriages broken families and adultery was the reputation of this ministry When my eyes were opened to the truth I knew it was time to get out That s when it seemed my whole world was turned upside down It felt as though I was fighting for my life I began to get ostracized criticized talked about gaslighted mentally abused emotionally abused and this leader had subtle divided my home I had to hold on to God for dear life O Lord could I overcome this brokenness O Lord could I overcome this deceitfulness Take a Stand for God Victor Paul Wierwille,1993 **Evidence on the subject of Revivals, taken before a Committee of the Presbytery of Aberdeen, etc ,1841** **When in the Midst of a Spiritual Storm: Praise, Pray, and Persevere** Dianne E. Barlow,2012-08-15 Have you ever been in a physical or spiritual storm Well they are both similar A physical storm is whereas there are dark clouds thunder and lightning and the sun refuse to shine There is also rain and I mean rain rain and then more rain A spiritual storm has some of the same characteristics The most highly visible difference is that soon the physical storm has passed A spiritual storm one may have to weather it much longer It wont be over until God say that it is During this time we must praise pray and persevere This is the only way that we will be able to weather the storm When in the Midst of a Spiritual Storm Praise Pray and Persevere will open our minds to the spirituality of Gods work Whenever we experience these storms God is doing a great work in us and he is taking us to another level in him The author portrays some of the many storms that she has had to endure as well as those of some biblical characters and others who she has had contact with The author guarantees that you will be able to see yourself or those who are close to you in some of these storms You will be able to also see how storms can be weathered with Gods assistance There are many obstacles in weathering storms and many spiritual disciplines that we must acquire It is my prayer that we can all learn from this knowledge
