Talents And Temperaments The Psychology Of Vocational Guidance:

Talents and Temperaments Angus Macrae,1941 An Introduction to Personality Study Raymond B.

Cattell,2019-03-04 Originally published in 1950 the need for a small standard text on basic principles of personality structure and development had been very apparent to teachers of psychology for some time There were many books illustrating specialized or applied aspects of the psychology of personality such as abnormal psychology educational psychology child psychology mental measurement vocational guidance etc but lacking was a treatment of personality study as pure psychology concentrating on the fundamentals The aim of this title was therefore to bring the general problems of personality description and development normal and abnormal into a single perspective and to integrate the principle fields of observation in clear cut generalizations *Psychology Library Editions: Personality* Various,2021-07-29 The study of personality has a long history and many different theoretical viewpoints within psychology Psychology Library Editions Personality 16 Volume set presents titles originally published between 1950 and 1997 covering many of these traditions and theories It includes contributions from many well respected academics and is a fascinating insight into this diverse field
