Tales From Firozsha Baag:

Tales from Firozsha Baag Rohinton Mistry, 2008-11-20 In these eleven intersecting stories Rohinton Mistry reveals the rich complex patterns of life inside a Bombay apartment building The occupants from Jaakaylee the ghost seer through Najami the only owner of a refrigerator in Firozsha Baag to Rustomji the Curmudgeon and Kersi the boy whose life threads through the book all express knowingly or unknowingly the tensions between the past and the present between the old world and the new Compassionate and extremely funny *Tales from Firozsha Baag* illuminates the meaning of change through the brilliantly textured mosaic of seemingly ordinary lives Mistry's joyful notation of the world reminds us that description is one of fiction's first and gravest tasks Guardian A fine collection the volume is informed by a tone of gentle compassion for seemingly insignificant lives New York Times **Tales from Firozsha Baag** Rohinton Mistry, 1992 Rohinton Mistry Peter Morey, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license The award winning novelist Rohinton Mistry is recognised as one of the most important contemporary writers of postcolonial literature This study the first of its kind will provide scholars and students with an insight into the key features of Mistry's work Peter Morey suggests how the author's writing can be read in terms of recent Indian political history his native Zoroastrian culture and ethos conventions of oral storytelling common to Persia and South Asia and the experience of migration which now sees him living in Canada The texts are viewed through the lens of diaspora and minority discourse theories to show how Mistry's writing is illustrative of marginal positions in relation to sanctioned national identities

since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer s Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research

Tropes and Territories Marta Dvorak, W.H. New, 2007-10-26 Tropes and Territories demonstrates how current debates in postcolonial criticism bear on the reading writing and status of short fiction These debates which hinge on competing definitions of trope motif vs rhetorical turn and territory political or aesthetic lead to studies of space place influence and writing and reading practices across cultural divides The essays also explore the character of diasporic writing the cultural significance of oral tale telling and interconnections between socio political issues and strategies of style
