Tales Of Old Florida

Sabine Zange

Tales Of Old Florida:

Tales of Old Florida Frank Oppel, 1987 Articles and essays selected from magazines published between 1870 and 1911 depict life in Florida at the turn of the century especially hunting fishing and exploring the wilderness As It Should Be Lance Edwards, 2019-02-12 Comprised of vignettes from his own experiences of growing up in Central Florida this native Floridian reveals Old Florida through its land its people and their relationship to the times This is not the Florida of the travel brochures or the concrete and glass glitz of the developers but rather the real Florida as known only by those who are proud to call themselves or declare themselves native Floridians Laugh and cry with the exploits of these tough and proud people Black white ink version **As It Should Be** Lance Edwards, 2019-02-12 Comprised of vignettes from his own experiences of growing up in Central Florida this native Floridian reveals Old Florida through its land its people and their relationship to the times This is not the Florida of the travel brochures or the concrete and glass glitz of the developers but rather the real Florida as known only by those who are proud to call themselves or declare themselves native Floridians Laugh and cry with the exploits of these tough and proud people **A Tropical Frontier** Tim Robinson, 2011-12-07 the Pioneers those hearty souls who left their families and the soft comforts of civilization and moved to a road less watery wilderness a place with none of the conveniences of home *Old Florida Drayton Island Tales* Bruce A. Geiger, 2013-04 A good humored fast read about the history of Florida from the time of Columbus through the Steamboat era on the St Johns River at the end of the 19th century The history is confined to the area around the St Johns River and Drayton Island in particular For centuries before the European s arrived the native people lived along the river and on Drayton Island As the area near St Augustine and along the coast of the Atlantic Ocean became settled the Indians moved inland The Island was on the frontier between the settlers and the Indians South of Drayton Island the settlers were on the east side of the river and the Indians were on the west side The book touches on the French Spanish and English control of the Florida peninsula the Florida Territory of the United States Statehood and Secession the Civil War Trail of Tears and the plight of the freed African American slaves There are hundreds of books about the history of Florida that do not have interviews and stories about the people This book has several It is fiction based upon the Florida history soap opera **Gold Bars** CAPTAIN CONRAD N. BROWN JR, 2011-03 We finally have a business book for boaters It covers all of the steps to begin chartering He discusses the pros as well as the cons The captain obviously has time on the water and is genuinely interested in helping his readers get started His enthusiasm and sense of humor are obvious in this informative book I reference it often Want to charter Get this book **As It Should Be** Lance Edwards, 2019-02-18 Comprised of vignettes from his own experiences of growing up in Central Florida this native Floridian reveals Old Florida through its land its people and their relationship to the times This is not the Florida of the travel brochures or the concrete and glass glitz of the developers but rather the real Florida as known only by those who are proud to call themselves or declare themselves native Floridians Laugh and cry with the exploits of these tough and

proud people The Kindle has color photos The paperback has black white photos **Lee County Islands** Mary Kaye Stevens,2009 When Ponce de Leon visited Southwest Florida in 1513 he discovered some of North America s most pristine tropical islands Yet it was here where the explorer met his death at the hands of Calusa Indians who had made their home on the islands since 500 bc Remaining relatively isolated from mainland society until the mid 1900s the islands were home to a few hardscrabble pioneers who endured stifling heat swarming mosquitoes and deadly storms Famous anglers such as Thomas Edison Zane Grey and Teddy Roosevelt enjoyed stalking the elusive tarpon in this sports fishing paradise Likewise the pervasive solitude inspired writers including Edna St Vincent Millay Mary Roberts Rinehart and Richard Powell Home to some of the world s best beaches it is not surprising visitors and residents find the lifestyles and histories of Lee County s quaint islands worth preserving **Kissimmee** Jim Robison,2003-10-01 Kissimmee Florida traces its name to the Jororo tribe among the first to settle along the river valley Riverboat captains entrepreneurs and speculators found Kissimmee and nearby Lake Tohopekaliga irresistible and soon settlers followed The 1880s marked this city s first brush with tourism as the Tropical Hotel became the largest resort hotel south of Jacksonville As the cattle town struggled to survive floods the Depression and downtown neglect in favor of spillover Walt Disney World business committed citizens fought back and spiritedly rekindled the town into a favored tourist spot *A Pioneer Son at Sea* Gilbert L. Voss,2016-03-06 Florida Historical Society Charlton Tebeau Award An outstanding piece of Florida fishing history by one of the most famous marine biologists in Florida Gene Shinn author of Bootstrap Geologist My Life in Science A perfect blend of history science and adventure Allowing his natural storytelling talent to shine through Voss tells of the waters inlets coves and colorful characters that comprised South Florida in the early twentieth century Janet DeVries author of Pioneering Palm Beach The Deweys and the South Florida Frontier A vivid picture of Voss s early years as a fisherman and outdoorsman prior to his illustrious career as a marine scientist and educator who passed along volumes of knowledge about the marine environment and its inhabitants to the scientific community Tommy Thompson author of The Saltwater Angler s Guide to Tampa Bay and Southwest Florida A priceless memoir and a spectacular adventure Terry Howard author of High Seas Wranglers The Lives of Atlantic Fishing Captains Long before tourism dominated Florida s coastline the state was home to dozens of commercial fisheries and ethnically diverse communities of rugged individuals who made their living from the sea In *A Pioneer Son at Sea* Gilbert Voss a celebrated marine biologist recounts his early days of fishing on both coasts of the peninsula during the Great Depression and World War II Here are vanished scenes from old Florida almost unimaginable to modern residents of the state gill netting for mackerel off Jupiter the early days of charterboat fishing for sailfish out of Stuart and Boynton the snapper fleet at Carrabelle sponge diving at Tarpon Springs the oyster fishery at Crystal River and mullet fishing from airboats at Flamingo Oversized personalities inhabit these pages including Voss s brothers who were themselves seminal figures in the early days of Florida big game fishing Voss s anecdotes feature Crackers rum runners murderers Conchs

wealthy industrialists now legendary charterboatmen Greek spongers and Cuban vivero captains These stories are not just spirited portraits of fishermen from a bygone era they are also remarkable tales of the formative years in the life of a scientist and conservationist who later worked tirelessly to preserve our dwindling marine resources
