Journey into Barbary Wyndham Lewis,2013-08-30

Through the eyes of a creative genius Journey into Barbary is both an inimitable portrait of Morocco and one of the first truly modern accounts of a country that had for so long remained an enigma to generations of travellers In the spring and summer of 1931 Wyndham Lewis travelled to the westernmost part of the Berber heartland in Morocco known traditionally as Barbary Wanting to avoid what he called the Baedekered blight of Anglo American tourism he set out for the majestic High Atlas mountains with pens and watercolours to record in words and images the rich traditional culture and changing face of the wild isolated Berber tribes who carved a harsh life out of Morocco's remotest regions The result is a blend of two arts the literary skill of a detached and humorous observer mixed with the drawings of one of the 20th century's most exciting and original artists *The Battle of Jackson, Mississippi* Chris Mackowski,2022-08-25 A comprehensive eminently readable

lavishly illustrated and historically accurate account of this important yet overlooked Civil War battle Civil War News Jackson Mississippi was the third Confederate state capital to fall to Union forces When Maj Gen Ulysses S Grant captured the important rail junction in May 1863 however he did so almost as an afterthought Drawing on dozens of primary sources contextualized by the latest scholarship on Grant's Vicksburg campaign historian Chris Mackowski offers a comprehensive account of this important battle General Grant had his eyes set not on Jackson but on Vicksburg the Gibraltar of the Confederacy As he drove through Mississippi a chance encounter with Confederates at Raymond alerted him to a potential threat massing farther east in Jackson under the leadership of Gen Joseph E Johnston one of the Confederacy's most respected field officers Grant turned on a dime and made for Jackson to confront the growing danger Yet Johnston for reasons that have long puzzled historians was already planning to abandon the vital state capital
