Green, 2015-11-05 The Operatives of the Carnacki Institute are prepared for anything except this When the Ghost Finders answer a distress call from the private research centre of one of the biggest drug companies in the world the last thing they expect to encounter is a threat to the building's very existence A team of police were called in but never came out A national security team followed but no one's heard anything from them either The Ghost

Finders are the drug company's last chance but they have the wrong equipment and no idea what they're facing except an extremely tight deadline. Green's Ghost Finders series.

Spirits From Beyond Simon R. Green, 2016-03-03 The Carnacki Institute is all about ghosts or at least keeping them under control. Their latest assignment sees JC and the team sent to a small country village site of a famously haunted inn. At first JC thinks that the spirits in the King's Arms are more the stuff of urban legend than anything that needs the Ghost Finders expertise. But one story rings true: the tale of a traveller trapped in the inn by an unusual thunderstorm. She retired to her room for the night and vanished. Trapped by an unusual thunderstorm like the one that begins raging outside shortly after they arrive. As the team investigates, they are forced one by one to face some hard truths about themselves, their relationships, and the haunting itself: truths that may push Happy Jack over the edge into the madness he has always feared.
