Tales Of A Low Rent Birder:

Tales of a Low-Rent Birder Pete Dunne, 1994-06-01 Tales of a Low Rent Birder is a collection of nineteen essays and sketches written between 1977 and 1985 It was originally published in 1986 **More Tales of a Low-Rent Birder** Pete Dunne, 1994-06-01 as the birding community has grown the gulf between what the beginner knows and what the expert knows has also grown wider and wider That s one of the reasons why Pete Dunne s writings are so valuable Pete is undeniably a top birder but he writes most of his material for people who are not In Dunne s birding world shared interest is the only coin of the realm and even the rank novice is greeted with respect from the foreword by Kenn Kaufman More Tales of a Low Rent Birder brings together twenty five recent essays that originally appeared in major birding publications In these pieces Pete Dunne ranges from wildly humorous to sadly elegiac as he describes everything from the field plumage of the dedicated birder to the lingering death of an accidentally injured golden plover Running like a thread through all the essays is Dunne s love and respect for the birds he watches his concern over human threats to their survival and his tolerance even affection for the human odd birds that birding attracts Truly these essays offer something for everyone interested in birds and the natural habitats our species share **Tales of a Low-Rent Birder** Pete Dunne, **Golden Wings and Other Stories about Birders and Birding** Pete Dunne, 2003-04-01 Dubbed the Bard of America s Bird Watchers by the Wall Street Journal Pete Dunne knows birders and birding instinctively and completely He understands the compulsion that drives other birders to go out at first light whatever the weather for a chance to maybe just maybe glimpse that rare migrant that someone might have spotted in a patch of woods the day before yesterday And yet he also knows how well strange the birding obsession becomes when viewed through the eyes of a nonbirder His dual perspective totally engrossed in birding yet still aware of the odd birdness of some birders makes reading his essays a pure pleasure whether you pursue the feather quest or not This book collects forty one of Dunne s recent essays drawn from his columns in Living Bird Wild Bird News the New Jersey Sunday section of the New York Times Birders s World and other publications Written with his signature wit and insight they cover everything from a moment of awed communion with a Wandering Albatross the most beautiful thing I d ever seen to Dunne s imagined perfect bird The Perfect Bird is the size of a turkey has the wingspan of an eagle the legs of a crane the feet of a moorhen and the talons of a great horned owl It eats kudzu surplus zucchini feral cats and has been known to predate upon homeowners who fire up their lawn mowers before 7 00 A M on the weekend The title essay pays whimsical yet heartfelt tribute to Dunne s mentor the late birding legend Roger Tory Peterson **Small-headed Flycatcher. Seen Yesterday. He Didn't Leave His Name.** Pete Dunne, 1998 Pete Dunne has been watching birds since he was seven years old But not just watching deeply absorbing every nuance of color markings shape flight and song all the subtle clues that can identify a bird barely glimpsed among the highest branches in fading twilight With the same skill he has been observing and writing about birding and birders for over twenty years using humor sentiment occasional sarcasm and

unashamed passion for his chosen profession to explore why birdwatching is so irresistibly compelling to so many people This book brings together thirty two vintage essays that Dunne originally wrote for publications such as American Birds Bird Watcher s Digest Birder s World Birding Living Bird the New Jersey edition of the Sunday New York Times WildBird and Wild Bird News Encounters with birds rare and common is their shared theme through which Dunne weaves stories of his family and friends reflections on the cycles of nature and portraits of unforgettable birders whose paths have crossed his ranging from Roger Tory Peterson to a life battered friend who finds solace in birding A cliff hanger story of the bird that got away gives this book its title Pete Dunne on Bird Watching Pete Dunne,2003 Pete Dunne has taught birding to beginners for years but he has never found the right book to help them get started Now the popular birding author identifies the skills and tools available to people with any amount of interest great or small in bird watching Beginning with backyard birding and moving through a quick but comprehensive survey of tools of the trade Dunne outlines ten basic simple steps in bird identification that can make a birder out of the most casual of observers He goes on to show beginning birders how to use their skills to explore new horizons through birding by ear birding by telescope and finding and identifying rare or difficult birds Written in the lively authoritative style that has made Dunne one of the most popular writers in this field today Pete Dunne on Bird Watching will inspire in readers both a growing passion for birding and a lifelong respect for the natural world and its inhabitants **Pete Dunne's Essential Field Guide Companion** Pete Dunne,2006 In this book bursting with more information than any field guide could hold the well known author and birder Pete Dunne introduces readers to the Cape May School or GISS method of identification which focuses on a bird holistically giving more weight to the general impression of the bird than to specific field marks The Wind Masters Pete Dunne,2003 Vividly written by the bard of birding and beautifully illustrated by acclaimed bird artist Sibley The Wind Masters shows what it is like to be a bird of prey Line drawings throughout The Jersey Shore Uncovered Peter Genovese,2003 This is not your typical Jersey Shore book Yes you ll find the obvious beaches and boardwalks lifeguards and lighthouses fishing and food But Peter Genovese will also take you off the beaten track for an insider s look at this famous and infamous 127 mile stretch from Sandy Hook to Cape May Birders tiki hut builders beach cleaners wheel of chance operators she crab soup makers they re all here You ll check out an Airstream only trailer park and visit a Point Pleasant Beach house where the music of Frank Sinatra plays nearly 24 7 Genovese will introduce you to the owner of the Stone Pony and to participants at the grueling Atlantic City Around the Island Swim as they describe their battles with tides exhaustion and face stinging jellyfish All of that plus you ll find out why Ocean Grove residents write their names on their flowerpots Beach reading just doesn t get any better than this Spend a summer with Peter Genovese as he chronicles a typical wild and wacky kitschy and classy season along the New Jersey coastline Lifeguards surfers beachgoers birders ice cream vendors seashell sellers banner pilots they re all here You ll be on the scene when Atlantic City s mayor officially begins summer by unlocking the ocean get a whiff of the state barbeque
