Talk About The Tarchers:

The Archers: The Ambridge Chronicles Joanna Toye, Karen Farrington, 2013-10-03 The Archers like life is made of moments marriages and births loves and losses triumphs and disasters It has been the soundtrack of our lives for over six decades from stooking corn with Dan Archer in the 1950s to the tragic death of Nigel Pargetter in 2011 We know the characters of Ambridge from much loved Phil and Jill Archer and the irrepressible Grundys to wayward Brian Aldridge like we know close friends This book is their tribute The Ambridge Chronicles relives some of the defining moments in The Archers history delving into the rich archive of its scripts to celebrate the highs and lows that have made the world s longest running radio serial so treasured *If More Walls Could Talk* Valerie Green, 2004 Valerie Green and Lynn Gordon Findlay have put their ears to the walls of Vancouver Island s historic homes and transcribed the whispered secrets of bygone days when folk of every description left their echoes in the buildings where they lived worked played and died If the walls of a venerable mansion could speak what stories would it tell How about that rustic shack farther down the road In her first book *If These Walls Could Talk* Valerie Green explored 50 heritage homes in the Greater Victoria area In this second volume she ranges further afield covering Greater Victoria and Southern Vancouver Island Duncan and the Cowichan Valley Nanaimo Port Alberni Parksville Qualicum Beach Courtney and District and Campbell River and the North Island including homes in Telegraph Cove and Port McNeill Each home tells of a way of life long past of people who dwelt within its walls when and how it was built or how it is historically significant Once again Valerie s text is complemented by architectural artist Lynn Gordon Findlay s exquisite drawings *The Archers at Home* Katinka Loeser, 1968 **The Archer's Register** , 1895

The Parent's Assistant; Or, Stories for Children Maria Edgeworth, 1844 **The Witness** Craig Conrad, 2020-04-20 Paul Rice is asked once again to find a missing teenager This time it s a pretty blonde female and his search takes him to a resort town in upper Minnesota near the Canadian border where women have been disappearing and their male companions winding up drowned in the nearby Chenequa River He finds Meriden to be a strange town with even stranger inhabitants who have a connection to a forty year old mine disaster a famous horror writer who lives there an unusual witness and a helpful priest who has a hidden reason of his own for lending a hand *How to get rid of the Archer's Reflex* Jes Lysgaard, 2022-12-10 Everyone who has progressed past the stage of just shooting knows that moment of mental confusion when the subconscious mind somehow takes control over the conscious attempt to release the string steadily for accurate repeatable shots leaving a surprise poor shot and a sense of amnesia about what led up to it Don t PANIC it s just a reflex The archery world has long referred to this as target panic Yet most affected archers feel no sense of panic at all they plan the shot feel comfortable about taking it and are unafraid of the bow recoiling or the arrow hitting its mark In fact they experience no panic at all Yet most find that they experience the same outcome an uncontrolled release followed by that baffled feeling As the arrow lands askew and our memory of those critical moments goes blank we ask ourselves What

happened there In this ground breaking practical guide Jes Lysgaard applies his background in psychology and hypnotherapy to his experience as a traditional archer to uncover what our minds are actually doing as we live this frustrating experience Jes explains how this neural program has quietly become so deeply ingrained over the course of our hundreds of previous successful shots that at that vital moment in our shot cycle it knows this is what good looks like go now quite outside our conscious control Meanwhile the cognitive process which we have rehearsed to hold and expand for an involuntary perfectly stable release is still obediently determined to hold the string until it releases automatically This sudden clash between opposing neural signals the conscious hold and the subconscious release now gives rise to that bewildering mental flurry and yet another uncontrolled release Not a panic at all Just the Archer s Reflex **REGAIN CONTROL REPROGRAM YOUR BRAIN** In practical steps which you can follow as you practise Jes shows how to deprogram your own Archer s Reflex and build in its place a new positive replacement neural program with which you can regain control over your shot cycle and fresh enjoyment of your shooting **REDISCOVER THE JOY OF SHOOTING The Colsonburg Chronicles, Book 1** Thomas P. Wright, 2012-03-09 The family drove all day It was quiet for Dan in the truck but torturous for Ginny in the van If she heard are we there yet or how much longer or is this Pennsylvania just onemoretime North and east they trekked to a place seen only once before It was completely dark when the headlights caught a simple Department of Transportation sign along a rural highway that read Borough of Colsonburg Were in Colsonburg kids Ginny cheered over her shoulder exhausted but relieved The children had ironically all fallen asleep Petes prayer was not eloquent or well crafted but it was from his heart and he meant every word of it even more than he was able to say in words It got kind of quiet and finally both looked up at each other They stayed quiet for a few more moments Happy birthday Peter Pastor Dan finally greeted him Huh Pete wondered out loud Today right now youve been born again Happy birthday Wow I guess so Pete let a slight grin escape along with a nod Pete sat on that rock and watched the water go by He thought how he somehow actually finally felt clean and fresh like that pure water Everything looked the same and he was otherwise just Pete Archer but he also knew he was different now and that his life would be changed Already it felt as if a gigantic weight had been lifted from him and indeed it had been He prayed a little more just letting his thoughts and feelings about it all go up to God But eventually he had to leave Walking back up the path everything was the same but at the same time everything was different but Ginny stayed seated her head dropped tears falling all the way to the floor Then a warm presence was sensed on the pew beside her and a gentle hand was felt running across the backs of her shoulders and resting on her left arm Joanies voice was heard whispering straight into Ginnys right ear Ill go with you if you want me to Ginny simply nodded and the two stood up in exact formation and made their way down the aisle to kneel at the rail Immediately they were joined by Meredith Holt and Holly Corbin Joanies hand never departed from Ginnys arm for even a fraction of a second Rev Lilly came down and knelt opposite the rail from the two ladies and inquired how he could pray for Ginny Speaking in only half sentences split by sobs and gasps Ginny

poured out the horror story of the last months one tissue after another being plucked from the box always there at the ready Oh sister even Rev Lilly was touched you have come to the right place today Ginny cried all over again when she stood and witnessed the gathering of friends also standing up behind where she had been She also let a smile escape as she embraced Joanie a sister in so many ways except biologically Many other hugs were shared and the whole box of tissues was consumed Only now did the congregation begin to depart Beth was napping when her cell phone woke her that afternoon The display said Mom Hey she started cheerfully through a yawn You got a few minutes babe her mom asked You bet Beth promised Ginny related the whole account Beth listened in stunned silence tears coming down her cheeks Satisfied her mother was done she half sobbed half laughed thats wonderful Mom Just before leaving for the evening worship service Beths phone rang again This time the display said Sis Patty and Beth talked and laughed and cried and thanked God together long enough that Beth missed the service Randy the senior member of the officerless crew said Lets go County Engine 5 1 responding with three Pete called on the radio and they joined the race to Colsonburg sirens wailing The radio was alive with reports from officers and orders to the many pieces of apparatus pouring into the borough The Colsonburg Fire Auxiliary members brought coffee and sandwiches to all the firefighters with bread meat and cheese donated by several store owners in the borough Pete stood next to her he looked down at her and watched her for a moment She was laughing with the rest her smile wide and glowing She looked up at him as she laughed and he smiled down at her It was good to see her again and to see her so full of joy despite everything she had been through In his mind he traveled back to that horrid March day in Lewistown when she was so broken and lost the contrast what God had done was so evident The experience of seeing her that way also reminded him of just how far he had come since that life altering August afternoon almost four and a half years ago He had never been the same since He simply looked at her and smiled as he said Happy New Year Happy New Year to you Pete she reciprocated smiling up at him Good night he affirmed back over his shoulder See you tomorrow evening he added See you then she agreed before shutting the door behind her After sitting on that step for a moment more Pete stood up and walked to his truck Once again he thanked God for everything He was doing in all their lives *A Really Strange and Wonderful Time* Tom Maxwell, 2024-04-09 A FINALIST FOR THE 2025 SOUTHERN BOOK PRIZE THE FIRST BIOGRAPHY OF THE THRIVING AND INFLUENTIAL ROCK SCENE IN CHAPEL HILL WHICH GAVE THE WORLD ARTISTS LIKE BEN FOLDS FIVE SUPERCHUNK AND SQUIRREL NUT ZIPPER North Carolina has always produced extraordinary music of every description But the indie rock boom of the late 1980s and early 90s brought the state most fully into the public consciousness while the subsequent post grunge free for all bestowed its greatest commercial successes In addition to the creation of legacy label Merge Records and a slate of excellent indie bands like Superchunk Archers of Loaf and Polvo this was the decade when other North Carolina artists broke Billboard s Top 200 and sold millions of records several million of which were issued by another indie label based in Carrboro Chapel Hill s smaller next door neighbor It s time to take a closer look
