Bonnie May, 2009-02-19 This touching storytelling poetry book has many wonderful poems and short stories about real life experiences and a few dreams There are short stories and poems about love humor parents children childhood friendships and touches every emotion **DC Talk's Jesus Freak** Will Stockton, D.

Gilson, 2018-11-01 Late in the Reagan years three young men at Jerry Falwell's Liberty University formed the Christian rap group dc Talk The trio put out a series of records that quickly secured their place at the forefront of contemporary Christian music But with their fourth studio album Jesus Freak 1995 dc Talk staked a powerful claim on the worldly market of alternative music becoming an evangelical group with secular selling power This book sets out to study this mid 90s crossover phenomenon a moment of cultural convergence between Christian and secular music and an era of particular political importance for American evangelicalism Written by two queer scholars with evangelical pasts Jesus Freak explores the importance of a multifarious album with complex ideas about race sexuality gender and politics an album where dc Talk wonders What will people do when they hear that I'm a Jesus freak and evangelical fans stake a claim for Christ like coolness in a secular musical world *Talk, Talk, Talk Jesus* Irene Lewers, 1990 **Discover God's Love** David C Cook, 2018-05-04

Militarization and nuclearization were the historical developments most essential to the creation of the rural New Right Both North Dakota and South Dakota have long been among the most reliably Republican states in the nation in the past century voters have only chosen two Democrats Franklin Roosevelt and Lyndon B Johnson and in 2016 both states preferred Donald Trump by over thirty points Yet in the decades before World War II the people of the Northern Plains were not universally politically conservative Instead many Dakotans including Republicans supported experiments in agrarian democracy that incorporated ideas from populism and progressivism to socialism and communism and fought against bigness in all its forms including bonanza farms out of state railroads corporations banks corrupt political parties and distant federal bureaucracies but also surprisingly the culture of militarism and the expansion of American military power abroad In Nuclear Country Catherine McNicol Stock explores the question of why between 1968 and 1992 most voters in the Dakotas abandoned their distinctive ideological heritage and came to embrace the conservatism of the New Right Stock focuses on how this transformation coincided with the coming of

the military and national security states to the countryside via the placement of military bases and nuclear missile silos on the Northern Plains This militarization influenced regional political culture by reinforcing or re contextualizing long standing local ideas and practices particularly when the people of the plains found that they shared culturally conservative values with the military After adopting the first two planks of the New Right national defense and conservative social ideas Dakotans endorsed the third plank of New Right ideology fiscal conservatism Ultimately Stock contends that militarization and nuclearization were the historical developments most essential to the creation of the rural New Right throughout the United States and that their impact can best be seen in this often overlooked region s history

Simon's Crossing Charles William Asher, Dennis Patrick Slattery, 2010 Enter the biblically historic world of Simon of Cyrene where a world of grief revenge and Dennis Patrick Slattery and tender devotion awaits There families are torn apart marauding soldiers enact their violent ways and random events suddenly disrupt life Along this journey there will be encounters with Pontius Pilate Veronica Mary and the sons of Simon Rufus and Alexander as they seek to grasp the mystery of a compassionate Nazarene serenely putting into practice the kingdom of God Forced to carry the cross of Jesus Simon of Cyrene a little known biblical figure reluctantly yields to his task At the same time Simon struggles with personal loss and a fiery desire for revenge In Simon s story the vulnerability of our own journeys is laid bare as we cross paths with a simple wooden cross and a redemptive twist of fate In Simon s Crossing this ordinary man from Cyrene steps boldly out of the pages of the Bible He senses that his own life depends on the Nazarene staggering just ahead of him Persuaded by sacrificial love we too discover what it is like to cross over into the imaginal power of a story well told where salvation lies close at hand Simon s story compels us to carry on as well

Wired for Life Doug Keefauver, 2003-02 *Up Home* Ruth J. Simmons, 2025-01-07 NEW YORK TIMES BESTSELLER

Simmons's evocative account of her remarkable trajectory from Jim Crow Texas where she was the youngest of twelve children in a sharecropping family to the presidencies of Smith College and Brown University shines with tenderness and dignity. The New York Times Book Review Editors' Choice. A riveting work of literature destined to take its place in the canon of great African American autobiographies. Henry Louis Gates Jr. Harvard University. A BEST BOOK OF THE YEAR. The New Yorker. The New York Times Book Review. Bloomberg. BET. I was born at a crossroads, a crossroads in history, a crossroads in culture, and a geographical crossroad in North Houston County in East Texas. Born in 1945, Ruth J. Simmons grew up the twelfth child of sharecroppers. Her first home had no running water, no electricity, no books to read. Yet despite this, or in her words, because of it, Simmons would become the first Black president of an Ivy League university. The former president of Smith College, Brown University, and Prairie View, A, her father who refused to let racial and economic injustice crush his youngest daughter's dreams, the doting brothers and sisters, and the attentive teachers who welcomed Ruth into the classroom, guiding her to a future she could hardly imagine as a child. From the farmland of East Texas to Houston's Fifth Ward to New Orleans at the dawn of the civil rights movement, Simmons depicts an era long gone but whose legacies of inequality we still live with today. Written in clear and timeless prose, *Up Home* is both an origin story set in the segregated South and the uplifting chronicle of a girl whose intellect, grace, and curiosity guide her as she creates a place for herself in the world.

By God's Grace Lenora McClellan, 2013. This book tells the story of the author's life in poetic form. Each poem is a real-life experience and testimony to what God has brought her through. To give the readers some insight into what this book is about, here are three poems taken from the book and a brief explanation of what they mean.

1. *The House* is significant because it opens the closed doors of one of the three houses that the author suffered the most abuse in, even though it is not the house that she wanted to burn down. Like the other two houses, it is still standing. But Lenora is no longer trapped inside any of them.
2. *Sisters of Molestation* is when Lenora realized that abuse knows no color. It was also when she realized that the hands that abused her were also the hands that abused someone close to her.
3. *It's In the Eyes* is the author's realization of what she believes is her God-given discernment to recognize some who have been or are being abused, as well as being on guard to some who could be abusers.

By God's Grace is the author's personal testimony to the world that God is able to deliver.
