Bringing Up Kids When Church Lets You Down Bekah McNeel,2022-10-11 This book is about the various places and ways that uncertainty shows up for parents who having left or altered the faith they once knew now must decide what to give their kids It s about church attendance Bible memorization school choices and sex talks It s about forging new paths in racial justice and creation care while the intractable voices in your head call you a pagan Marxist for doing so After the spectacular implosion of her ministry career Bekah McNeel was left disillusioned and without the foundation of certainty she had built her life on But rather than leaving the Christian faith altogether she hung out around the edges began questioning oversimplified categories of black and white that she had been taught were sacred and became comfortable living in gray areas while starting a new career in journalism Then she had kids From the moment someone asked if she was going to have her first child baptized Bekah began to wonder if the conservative evangelical Christianity she grew up with was really something she wanted to give her children That question only became more complicated when she had her second child months before White evangelicals carried Donald Trump to victory in the 2016 presidential election Soon Bekah found that other parents were asking similar questions as they broke with their fundamentalist religious upbringing and took on new values Could they raise their kids to live with both the security of faith and the freedom of open mindedness To value both Scripture and social justice To learn morality without shame In Bringing Up Kids When Church Lets You Down Bekah gathers voices from history scholarship and her own community to guide others who like her are on a quest to shed the false certainty and toxic perfectionism of their past to become better healthier parents while still providing strong spiritual foundations for their children She writes with humor and empathy providing wise reflections but not glib answers on difficult parenting topics while reminding us that we are not alone even when we break away from the crowd CMJ New Music Report ,1999-11-08 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success In the Ghost Shadows Peter Chin,Everett De Morier,2025-01-21 A never before seen glimpse into the rarefied world of the Ghost Shadows New York s powerful Chinese crime organization of the 1970s and 80s written by the young leader who ran it reformed gangster Peter Chin Only in fairy tales can a poor orphan become royalty But in New York City s Chinatown one street kid managed to rise to the top ranks of a criminal gang dynasty

This is no fairy tale This really happened IN THE GHOST SHADOWS They were the most powerful gang in Chinatown Like the notorious crime families of the Italian Mob the Asian youth gang known as the Ghost Shadows carved out their own territory in New York s underworld and ruled those streets for decades Their leader Peter Chin a young immigrant from the outskirts of Hong Kong not only found a new family among his fellow gang members but became one of the two most powerful men in Chinatown s history at that time He even straddled the line between the city s Asian Mob and the Italian Mafia adopted as a godson of a high ranking member of the Genovese crime family Eventually it all came crashing down when Chin and twenty four other Ghost Shadows were indicted and imprisoned for racketeering under the RICO Act But throughout his twenty years in prison and even since his release Chin has kept his code of silence Until now For the first time ever the former leader of the Ghost Shadows breaks his silence in this honest tell all to author Everett De Morier revealing the never before told story of his incredible harrowing life From his first arrival in New York s gritty Chinatown at the age of eight to his fateful initiation into the street gangs at thirteen Chin found a new sense of belonging and brotherhood as well as a dangerous world of gun fights and gang wars gambling and extortion Mob style shootings and ultimately arrests Now a successful businessman Chin gives readers a rarefied glimpse into why a young man would choose a life of crime and how he managed to beat the odds to rise in the ranks and live to tell the tale But at its heart Chin s is a story of family loyalty and redemption with an inspiring message of hope for anyone who s made mistakes paid the price and learned from the past to build a better tomorrow Includes 8 pages of never before seen photographs The Last Hanging of Ángel Martínez Kate Niles,2024-10-15 Winner of the 2025 Zia Book Award from New Mexico Press Women 2024 Foreword INDIES Silver Winner for Mystery In Taos County New Mexico probation officer Nina Montgomery thinks she knows all about ngel Martínez a frequent flyer in the judicial system for increasingly sadistic treatment of his ex partner Liza Monaghan When Liza is found dead on her kitchen floor everyone suspects ngel Nina most of all When ngel s aunt Loretta Nina s neighbor and friend asks her to look into Liza s murder Nina reaches out to friend and sheriff s deputy Larry Baca and becomes embroiled in the case As Nina delves into ngel s and Liza s lives she is surprised to learn that ngel is a santero artist on the rise A talented but struggling ceramic artist herself Nina finds her worlds colliding when a Hollywood celebrity wants her art just as the entanglements of ngel s family history begin to suggest the source of Liza s death Amid the cultural and natural beauty of the Northern Rio Grande Valley Nina finds herself steeped in the drama of a family gone terribly and violently wrong **THE KID FROM ARMOURDALE** Lloyd E. Howser,2007-05-15 This is a story about a kid that was raised during the Great Depression when the word welfare was virtually unspoken He had deep loyalties for God country and family It was the custom in those days to salute the flag each school day He attended weekday church school every Wednesday afternoon during his elementary school years His family was poor but proud and self reliant Lloyd learned early in life that if he wanted something he had to work for it His loyalty to his country was reflected in his leaving high school and volunteering for the

navy the day after the Japanese attacked Pearl Harbor It s about the struggle of two high school dropouts that fell in love They started life together on the bottom rung and it never occurred to them to feel sorry for themselves They were happy in their stroll together down the rough and rocky road that lay ahead Theirs was a love affair that lasted fifty seven years They were both from broken homes and determined that their children would not suffer a similar fate It is the story of two kids willing to work hard to study and learn to save a penny wherever possible It is a story of survival They ate weeds as some people might call them They liked to call them spring greens He hunted rabbit squirrel and quail in winter and fished during the summer It all went into the larder Inch by inch they elevated their lot in life not unlike a waterlogged timber that might slowly rise to the surface and into the sunshine They grabbed snatches of education wherever they could Esther took typing shorthand and secretarial courses and later a school of cosmetology Lloyd finished high school took college courses and acquired a little more than the equivalent of two years of college when the air force selected him for an engineering course at the University of Colorado It s about the search for Valhalla a place and the means to retire after a lifelong struggle by two kids so unlikely to succeed in life Together they proved the truth of the old adage If there is a will there is a way
