**Back to the Heart of Youth Work** Dewey M. Bertolini, 1989      **Heart of Youth Ministry** Mike Yaconelli, 1997-09 The Heart of Youth Ministry is a must for anyone working with teenagers Mike Yaconelli cuts right to the heart of youth ministry in this humorous motivating address filmed on location at a youth worker's conference This two part video series can easily be viewed during one leadership retreat or two shorter training sessions It's a great resource for training and inspiring an entire youth ministry team Mike's unique candid style will push youth workers' ministries and emotions to the edge and will challenge them to focus on what it really takes to connect kids to the love of Jesus Christ They'll come away with a new vision for their ministry and a new passion for reaching kids with the gospel      *The Heart of Youth Ministry* Hule Goddard, Jorge Acevedo, 1988-11-01      *The Heart of Youth Ministry in the 21st Century* James Curtis Booher, 2001      *Youth Ministry in the 21st Century (Youth, Family, and Culture)* Chap Clark, 2015-08-11 There are many philosophies and strategies that drive today's youth ministry To most people they are variations on a single goal to make faithful disciples of young people However digging deeper into various programs books and concepts reveals substantive differences among approaches Bestselling author Chap Clark is one of the leading voices in youth ministry today In this multiview work he brings together a diverse group of leaders to present major views on youth ministry Chapters are written in essay response fashion by Fernando Arzola Greg Stier Ron Hunter Brian Cosby and Chap Clark As the contributors present their views and respond to each of the other views they discuss their task and calling giving readers the resources they need to develop their own approach to youth ministry Offering a model of critical thinking and respectful dialogue this volume provides a balanced irenic approach to a topic with which every church wrestles      *Your First Two Years in Youth Ministry* Doug Fields, 2002 This guide to the concept of Purpose Driven youth ministry addresses issues about where to start dealing with discouragement establishing heart essentials becoming family friendly being with students and working as a team      **The heart of youth. By M.E. Winchester** M. E. Winchester, Margaret E. Whatham, 1902      **Back to the Heart of Youth Work** Dewey M. Bertolini, 1994 Back to the Heart of Youth Work is a passionate appeal to youth workers both volunteer and professional who from time to time may feel battered bruised and bleeding Written from one homesick soldier to another this book is offered in the hope of rekindling a flickering flame into a blazing inferno within the heart of every youth worker who reads it Based on the truth that effective ministry can result only from the overflow of an intimate walk with Jesus Christ this book shows you how to develop proven character a biblical philosophy of ministry and a practical methodology Back cover      *This Way to Youth Ministry* Duffy Robbins, 2004 Practical applications theological foundations and valuable information for the student beginning a youth ministry      *Starting Right* Kenda Creasy Dean, Chap Clark, Dave Rahn, 2010-05-11 Starting Right Thinking Theologically About Youth Ministry is the first academic textbook that introduces youth ministry students whether undergraduate or graduate level to a marriage of solid research real life and accessible design Whereas most college level

texts may reflect a thorough though impenetrable mastery of the field they tend to expect readers to plow through unnecessarily thick prose and bland design because it's good for them Youth Specialties doesn't agree In this debut title to a continuing academic book line college and seminary students will be introduced to real life research real life youth ministry dilemmas and real life solutions Contributing writers represent a spectrum of Christian Education thought and practice as well as widespread recognition in their field transdenominational yet the perfect background to ministry in any denomination or ministry organization This text includes thorough indexes design and graphics that compel readers from page to page now that's a first for a college text organization that permits professors to use any part of the text in any order rather than plod through the entire book from beginning to end a perfect primary text that gives students a rich academic and readable though not popular grasp of every aspect of youth ministry a typical Intro course touches while also serving as an ideal secondary text

Purpose Driven Youth Ministry Doug Fields, 2009-12-15 If you long to reach kids and see their lives changed by God this comprehensive guide shows you how Purpose Driven Youth Ministry will do for youth ministry what Rick Warren's Gold Medallion award winning The Purpose Driven Church is doing for pastoral ministry It's an indispensable guide to creating and maintaining youth ministry for the long run It will help you create a solid spiritual team that builds the foundations of the Christian faith into the hearts and lives of young people Forged around the fundamental purposes of evangelism discipleship fellowship ministry and worship Purpose Driven Youth Ministry uses the experiences of Saddleback Church to illustrate what a healthy Youth ministry can be Nine transferable principles help you Connect with the power of God for passionate committed leadership Define the purpose of your ministry and communicate it effectively Identify your potential audience Create programs that reach your audience and fulfill God's purposes Implement processes that move students to maturity Enhance your ministry with clearly defined values Team up with parents to involve the whole family Find volunteers and develop them into participating leaders Persevere through tough times and thrive in an ever changing environment Balancing both theory and practice Purpose Driven Youth Ministry can be applied to any church setting regardless of size denomination facilities resources and existing leadership Purpose Driven Youth Ministry will help you develop a ministry that equips students rather than a ministry that coordinates events Doug Fields says My goal for this book is to coach you through a plan to build a healthy youth ministry that isn't dependent on one great youth leader and won't be destroyed when the youth worker leaves the church It's not a book on how to grow your youth ministry with six easy steps it's about identifying establishing and building health into your church's youth ministry
