Empire of Illusion Chris Hedges,2009-07-28 Pulitzer prize winner Chris Hedges charts the dramatic and disturbing rise of a post literate society that craves fantasy ecstasy and illusion Chris Hedges argues that we now live in two societies One the minority functions in a print based literate world that can cope with complexity and can separate illusion from truth The other a growing majority is retreating from a reality based world into one of false certainty and magic In this other society serious film and theatre as well as newspapers and books are being pushed

to the margins In the tradition of Christopher Lasch's *The Culture of Narcissism* and Neil Postman's *Amusing Ourselves to Death* Hedges navigates this culture attending WWF contests as well as Ivy League graduation ceremonies exposing an age of terrifying decline and heightened self delusion **Shawn Michaels** Stephen Ciacciarelli, 2013 A biography of pro wrestler Shawn Michaels from childhood to gifted athlete to world heavyweight champion **Nichols and May** Robert E. Kapsis, 2020-10-16 In the late 1950s Mike Nichols 1931 2014 and Elaine May b 1932 soared to superstar status as a sketch comedy duo in live shows and television After their 1962 breakup both went on to long and distinguished careers in other areas of show business mostly separately but sporadically together again In *Nichols and May Interviews* twenty seven interviews and profiles ranging over more than five decades tell their stories in their own words Nichols quickly became an A list stage and film director while May like many women in her field often found herself thwarted in her attempts to make her distinctive voice heard in projects she could control herself Yet in recent years Nichols's work as a filmmaker has been perhaps unfairly devalued while May's accomplishments particularly as a screenwriter and director have become more appreciated leading to her present widespread acceptance as a groundbreaking female artist and a creative genius of our time Nichols gave numerous interviews during his career and editor Robert E Kapsis culled hundreds of potential selections to include in this volume the most revealing and those that focus on his filmmaking career May however was a reluctant interview subject at best She often subverted the whole interview process producing instead a hilarious parody or even a comedy sketch with or without the cooperation of the sometimes oblivious interviewer With its contrasting selection of interviews conventional and oddball this volume is an important contribution to the study of the careers of Nichols and May

Falling in Love at the Movies Esther Zuckerman, 2024-12-03 Prepare to swoon ugly cry laugh and fall in love with this officially licensed exploration of the impact and legacy of one of film's most beloved genres from Turner Classic Movies the rom com Romantic comedies have had an incredible influence on popular culture shaping everything from how we think of relationships to fashion Often swept aside in film history these movies are thought of as pure comfort viewing Although they certainly provide those fuzzy feelings they have also had a significant artistic influence and cultural impact Spanning decades of romantic comedies from movies of the 1930s such as *It Happened One Night* and the rom com craze of the 80s and 90s including *When Harry Met Sally* all the way to contemporary hits like *Crazy Rich Asians* and everything in between *Falling in Love at the Movies* will make you fall in love all over again with romantic comedies Esther Zuckerman accomplished entertainment journalist and member of the New York Film Critics Circle takes readers on a journey through the rom com She examines the aspects that make us so drawn to these types of films diving deep into the key auteurs from Preston Sturges to James L Brooks to Nora Ephron and beyond who both created and subverted the canon These directors actors and writers shaped the genre establishing and also busting traditional pillars and tenets of these movies such as *The Perfect Pair* or *The Man in Crisis* and *The High Maintenance Woman* Featuring full color images from the films throughout along the way

Zuckerman takes detours explores iconic lines of dialogue Who could forget Julia Roberts I m also just a girl standing in front of a boy asking him to love her iconic moment from Notting Hill to memorable scenes the magical moment at the Empire State Building in Sleepless in Seattle and weaves in interviews of artists and romantic comedy fanatics in the industry Looking beyond the traditional rom com Zuckerman digs into the nooks and crannies the films that buck the trend of happily ever after the ones that think beyond heteronormative narratives and the indies that kept the rom com alive outside of the studio system to offer a more comprehensive story of the rom com than has ever been seen before and one that you re bound to love How s that for a happy ending

Other Hollywood Renaissance Lennard Dominic Lennard,2020-09-09 In the late 1960s the collapse of the classic Hollywood studio system led in part and for less than a decade to a production trend heavily influenced by the international art cinema Reflecting a new self consciousness in the US about the national film patrimony this period is known as the Hollywood Renaissance However critical study of the period is generally associated with its so called principal auteurs slighting a number of established and emerging directors who were responsible for many of the era s most innovative and artistically successful releases With contributions from leading film scholars this book provides a revisionist account of this creative resurgence by discussing and memorializing twenty four directors of note who have not yet been given a proper place in the larger history of the period Including filmmakers such as Hal Ashby John Frankenheimer Mike Nichols and Joan Micklin Silver this more expansive approach to the auteurism of the late 1960s and 1970s seems not only appropriate but pressing a necessary element of the re evaluation of Hollywood with which cinema studies has been preoccupied under the challenges posed by the emergence and flourishing of new media
