Trudeau, 1984 Three years of Doonesbury are packed into this Trudeau tour de force his fourth and perhaps most timely major anthology Those three years coincide precisely with the election campaign inauguration and first years in office of the First Cowboy At the core of this book are the foibles and follies of life under the Reagan Administration portrayed with the inimitable Trudeau wit and style in more than 500 daily strips and 80 full color Sunday pages This rich collection is Trudeau at his trenchant best and makes the

synonymous with retribution and revenge and destroying the devil and evil With a blood soaked butcher knife on the right hand and blood stained heavy metal rod on the other with bloody scars and spats on the face and dress all around the figure appeared with a posture firm and strong He turned around only to see a wearied downcast Gopal in the elevator mirror Here he was standing like a convict in a jail cell for no fault of his He felt sympathy for that prisoner of life In that life Lady Justice had been truly wearing the blindfold while tilting the balance of the scales first with hope and happiness and then dumping the other side with desolateness and depression The bouquet of stories thus is a microcosm of the eternal tussle between man and destiny The resultant conflict of forces and the perennial dilemma that overwhelm the society at large are portrayed in detail using the apt situation and the right character The book is embellished with such enduring images **Death's**
