GOSSIPY LIGHT AND FUN TLS Queen Bees looks at the lives of six remarkable women who made careers out of being society hostesses including Lady Astor who went on to become the first female MP and Mrs Greville who cultivated relationships with Edward VII as well as Lady Londonderry Lady Cunard Laura Corrigan and Lady Colefax Written with wit verve and heart Queen Bees is the story of a form of societal revolution and the extraordinary women who helped it happen In the aftermath of the First World War the previously strict hierarchies of the British class system were weakened For a number of ambitious spirited women this was the chance they needed to slip through the cracks and take their place at the top of society as the great hostesses of the time In an age when the place of women was uncertain becoming a hostess was not a chore but a career choice and though some of the hostesses backgrounds were surprisingly humble their aspirations were anything but During the inter war years these extraordinary women ruled over London society from their dining tables and salons entertaining everyone from the Mosleys to the Mitfords from millionaires to maharajahs from film stars to royalty and their influence can still be felt today

People, Politics, and Purpose Greg Donaghy,P. Whitney Lackenbauer,2023-02-15 Biography is not on the periphery of history but in the middle of it historian Peter Waite astutely remarked People Politics and Purpose brings the historian s myriad tools to bear on Canadians from prime ministers to lumberjacks to Indigenous leaders Drawing on the rich details of biography the what the contributors also address the larger questions of motivation the so what that drive history In the process they prove the value of analyzing both macro and micro dynamics within Canadian politics and society to illuminate the roles of political actors As such the biographies in People Politics and Purpose are not simply stories about the lives of individuals but critical reflections on subjects who are directly involved in and affected by politics in Canada This book makes for lively reading that stimulates fresh thinking about political biography and the direction of political history more generally

Elizabeth Bowen Patricia Laurence,2021-07-21 Elizabeth Bowen A Literary Life reinvents Bowen as a public intellectual propagandist spy cultural ambassador journalist and essayist as well as a writer of fiction Patricia Laurence counters the popular image of Bowen as a mannered reserved Anglo Irish writer and presents her as a bold independent woman who took risks and made her own rules in life and writing This biography distinguishes itself from others in the depth of research into the life experiences that fueled Bowen s writing her espionage for the British Ministry of Information in neutral Ireland 1940 1941 and the devoted circle of friends lovers intellectuals and writers whom she valued Isaiah Berlin William Plomer Maurice Bowra Stuart Hampshire Charles Ritchie Sean O Faolain Virginia Woolf Rosamond Lehmann and Eudora Welty among others The biography also demonstrates how her feelings of irresolution about national identity and gender roles were dispelled through her writing Her vivid fiction often about girls and women is laced with irony about smooth social surfaces rent by disruptive emotion the sadness of beleaguered adolescents the occurrence of cultural dislocation historical atmosphere as well as undercurrents of violence in small events and betrayal and disappointment in romance Her strong visual imagination so much a part of the texture of her

writing traces places scenes landscapes and objects that subliminally reveal hidden aspects of her characters Though her reputation faltered in the 1960s 1970s given her political and social conservatism now readers are discovering her passionate and poetic temperament and writing as well as the historical consciousness behind her worldly exterior and writing

The Cambridge Companion to Canadian Literature Eva-Marie Kröller, 2017-06-08 A fully revised second edition of this multi author account of Canadian literature from Aboriginal writing to Margaret Atwood
