Encyclopedia of Family Health Martha Craft-Rosenberg, Shelley-Rae Pehler,2011-01-20 What is unique about the process in the discussion of healthcare and interventions to use when working with families What assessment tools provide guidance for healthcare providers as they determine interventions for families in their care What are the changing dimensions of contemporary family life and what impact do those dimensions have on health promotion for families How is family healthcare changing in terms of practices delivery systems costs and insurance coverage Students are able to explore these questions and more in the Encyclopedia of Family Health Approximately 350 signed articles written by experts from such varied fields as health and nursing social and behavioral sciences and policy provide authoritative cross disciplinary coverage Entries examine theory research and policy as they relate to family practice in a manner that is accessible and jargon free From Adolescent Suicide and Alternative Therapies to Visitation during Hospitalization and Weight Problems and Genetics this work provides coverage of a variety of issues within a family context The Encyclopedia of Family Health provides a comprehensive summary of theory research practice and policy on family health and wellness promotion for students and researchers Janet Frame in Focus Josephine A. McQuail,2018-02-14 New Zealand author Janet Frame 1924 2004 during her lifetime published 11 novels three collections of short stories a volume of poetry and a children's book The details of her life her tragic early years her confinement in a psychiatric hospital and her miraculous reprieve overshadow her work and she remains largely neglected by scholars These essays focus on Frame's autobiography short stories and novels Contributors from around the world explore a range of topics including her mother's Christadelphian faith her relationships with two 20th century icons William Theophilus Brown and John Money and a view of Frame in the context of trauma studies Two of the essays were presented at the 2014 Northeast Modern Language Association convention *THE TESTIMONY OF JOHN: 1907 Biblical Study Notes on the Gospel of John* George N.H. Peters,2017-01-01 From cover to cover conception to completion this book is about Jesus It addresses and answers the fundamental question of His identity and mission The book never waivers from this original purpose and structure Who better to inform us of Jesus than John the disciple whom Jesus loved the person to whom Jesus often confided in and to whom He ultimately entrusted with His own future Revelation And who better to expose these truths than Mr George N H Peters gifted Bible teacher and faithful steward of the Word of God throughout his lifetime Composed in the form of study notes the author directs attention away from modern mystical interpretations of this Gospel towards what John intended to accomplish i.e confront the reader with the predicted Messiah

Jesus and in so doing provide reasons to believe and through believing find the very promise of eternal life John calls this work his testimony like a witness pleading before a jury of his peers he lays out a selection of evidence He claims that he could easily have written volumes but these things he wrote so that the reader might believe The beauty of this book lies in the evidence John chooses to put forth the impact of the book slightly over 100 years old stems from the ability of Mr Peters to point out these things and then allow the testimony to speak for itself Over the last century many able men and women have undertaken to expound the Gospel of John The reader will not find a more plainly written account than what Mr Peters penned during the last years of his life
