

Sister Kenny

Bernard F. Dick

Sister Kenny:

Polio Wars Naomi Rogers, 2013-10-20 During World War II polio epidemics in the United States were viewed as the country's other war at home they could be neither predicted nor contained and paralyzed patients faced disability in a world unfriendly to the disabled These realities were exacerbated by the medical community's enforced orthodoxy in treating the disease treatments that generally consisted of ineffective therapies Polio Wars is the story of Sister Elizabeth Kenny Sister being a reference to her status as a senior nurse not a religious designation who arrived in the US from Australia in 1940 espousing an unorthodox approach to the treatment of polio Kenny approached the disease as a non neurological affliction championing such novel therapies as hot packs and muscle exercises in place of splinting surgery and immobilization Her care embodied a different style of clinical practice one of optimistic patient centered treatments that gave hope to desperate patients and families The Kenny method initially dismissed by the US medical establishment gained overwhelming support over the ensuing decade including the endorsement of the National Foundation for Infantile Paralysis today's March of Dimes America's largest disease philanthropy By 1952 a Gallup Poll identified Sister Kenny as most admired woman in America and she went on to serve as an expert witness at Congressional hearings on scientific research a foundation director and the subject of a Hollywood film Kenny breached professional and social mores crafting a public persona that blended Florence Nightingale and Marie Curie By the 1980s following the discovery of the Salk and Sabin vaccines and the March of Dimes withdrawal from polio research most Americans had forgotten polio its therapies and Sister Kenny In examining this historical arc and the public's process of forgetting Naomi Rogers presents Kenny as someone worth remembering Polio Wars recalls both the passion and the practices of clinical care and explores them in their own terms [LIFE](#), 1960-07-11 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **Sister Kenny** Victor Cohn, 1975 Sister Kenny was first published in 1976 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Sister Elizabeth Kenny the Australian born nurse is remembered by thousands of grateful parents and grandparents of young polio patients as well as others who were less personally affected as the woman who successfully fought the medical profession to win acceptance of her techniques to combat the crippling effects of this disease In this biography Victor Cohn a prize winning science writer details the life of Sister Kenny and her significant role in the history of medicine It is an inspiring story and one which will be of particular interest to those of the present generation who are engaged in the movement for women's equality Sister Kenny's struggle against the bitter opposition of many doctors to her concepts for the treatment of polio dramatized the then common attitude of male chauvinism on the part of the medical profession toward

nurses The biography traces Sister Kenny s life from her birth in Australia through her early nursing career in the bush to her rise to prominence in America Much of the narrative focuses on her confrontation with the medical establishment Throughout the author writes from an objective viewpoint and in conclusion he assesses Sister Kenny s accomplishments

Modern Hydrotherapy for the Massage Therapist Marybetts Sinclair,2007-11-01 This text offers a modern approach to hydrotherapy the use of water ice steam and hot and cold temperatures to improve or maintain health as performed by massage therapists Authored by an experienced massage therapist this book presents clear uncomplicated explanations of how hydrotherapy affects the body and then demonstrates a wide variety of hydrotherapy treatments The book suggests how massage therapists may use hydrotherapy treatments before and during massage sessions or give these treatments to clients to do between sessions for faster and better results The author presents real life examples and case studies obtained through interviews with massage therapists athletic trainers physical therapists naturopathic doctors aquatic therapists and medical doctors treating patients in a medical hydrotherapy setting

Medicine's Moving Pictures Leslie J. Reagan,Nancy Tomes,Paula A. Treichler,2007 This groundbreaking book argues that health and medical media with their unique goals and production values constitute a rich cultural and historical archive and deserve greater scholarly attention Original essays by leading media scholars and historians of medicine demonstrate that Americans throughout the twentieth century have learned about health disease medicine and the human body from movies Heroic doctors and patients fighting dread diseases have thrilled and moved audiences everywhere amid changing media formats medicine s moving pictures continue to educate entertain and help us understand the body s journey through life Perennially popular health and medical media are also complex texts reflecting many interests and constituencies including notably the U S medical profession which has often sought if not always successfully to influence content circulation and meaning Medicine s Moving Pictures makes clear that health and medical media representations are more than illustrations shows their power to shape health perceptions practices and policies and identifies their social cultural and historical contexts Contributors Lisa Cartwright Vanessa Northington Gamble Rachel Gans Boriskin Valerie Hartouni Susan E Lederer John Parascandola Martin S Pernick Leslie J Reagan Naomi Rogers Nancy Tomes Paula A Treichler Joseph Turow Leslie J Reagan is an associate professor at the University of Illinois Urbana Champaign Nancy Tomes is a professor at Stony Brook University Paula A Treichler is a professor at the University of Illinois Urbana Champaign

Neurocinema Eelco F. M. Wijdicks,2014-11-06 Film directors recognize that neurologic disease impacts mind and motility and often use it in a plot or defining scene It should be informative and educational to deconstruct neurologic representation in film Neurocinema When Film Meets Neurology is a collection of film essays that summarize the portrayal of major neurologic syndromes and

Cinema, MD Eelco F.M. Wijdicks MD, PhD,2020-02-28 Cinema MD follows the intersection of medicine and film and how filmmakers wrote a history of medicine over time The narrative follows several main story lines How did the portrayal of physicians nurses and medical

institutions change over the years What interested filmmakers and which topics had priority What does film s obsession with experiments and monstrosities reveal about medical ethics and malpractice How could the public s perception of the medical profession change when watching these films on diseases and treatments including palliative care and medical ethics Are screenwriters actors and film directors channeling a popular view of medicine Cinema MD analyzes not only changing practices changing morals and changing expectations but also medical stereotypes medical activism and violations of patients integrity and autonomy Examining over 400 films with medical themes over a century of cinema this book establishes the cultural medical and historical importance of the art form Film allows us to see our humanity our frailty and our dependence when illness strikes Cinema MD provides uniquely new and fascinating insight into both film criticism and the history of medicine and has a resonance to the medical world we live in today *Hearings* United States. Congress. House. Committee on Interstate and Foreign Commerce,1948 The Long-Term Care Restorative Nursing Desk Reference Barbara Acello,2009-08-18 The Long Term Care Restorative Nursing Desk Reference is a new all inclusive desk reference that describes the clinical aspects of restorative nursing in detail and provides a much needed guide for nurses in a long term care facility This book offers the help you need to create or sustain an effective restorative care program that puts your resident s needs first *Forever Mame* Bernard F. Dick,2009-09-18 When it comes to living life to its fullest Rosalind Russell s character Auntie Mame is still the silver screen s exemplar And Mame the role Russell 1907 1976 would always be remembered for embodies the rich and rewarding life Bernard F Dick reveals in the first biography of this Golden Age star *Forever Mame The Life of Rosalind Russell* Drawing on personal interviews and information from the archives of Russell and her producer husband Frederick Brisson Dick begins with Russell s childhood in Waterbury Connecticut and chronicles her early attempts to achieve recognition after graduating from the American Academy of Dramatic Arts Frustrated by her inability to land a lead in a Broadway show she headed for Hollywood in 1934 and two years later played her first starring role the title character in *Craig s Wife* Dick discusses all of her films along with her triumphal return to Broadway first in the musical *Wonderful Town* and later in *Auntie Mame* *Forever Mame* details Russell s social circle of such stars as Loretta Young Cary Grant and Frank Sinatra It traces an extraordinary career ending with Russell s courageous battle against the two diseases that eventually caused her death rheumatoid arthritis and cancer Russell devoted her last years to campaigning for arthritis research So successful was she in her efforts to alert lawmakers to this crippling disease that a leading San Francisco research center is named after her **Live Better (Creative Science)** Hilton Hotema,1996-09 1962 There is no such thing as healing the body repairs itself and the principal agencies used in the work are pure air good water sunshine exercise and natural food Content Ancient Little Known Knowledge of Health and Long Life Key to Vital **Assessment of Chronic Pain Patients with the MMPI-2** Laura Sue Keller,1991 The first major revision of the Minnesota Multiphasic Personality Inventory a widely used clinical personality instrument was published in 1989 The study described in this book

based on the test results of over 500 patients addresses the comparability of the new MMPI 2 to the earlier model among chronic pain patients and provides preliminary research data on the performance of the revised test among the large chronic pain population It concludes with suggestions for interpretative strategies in assessing chronic pain patients with the MMPI 2 and with recommendations for future research directions [Current Catalog](#) National Library of Medicine (U.S.),1980
