SOMEONE The Poetry is best described as a communion of words written from the heart a place of truth The author may best be described as the Rod McKuen of the 90 s and beyond He plunges deep into self deep into glorious and painful memories and deep into a conscious unconscious life And then he begins all over again Here is one heart and one mind reaching out to touch the hearts and minds of others Dreams achieved through the words and emotions stirred through and through by never doubting he has loved Love had Love lost Love abused and misused And love the substance of miracles when all else fails in a world that seems so lost unto itself AM I SOMEONE The Poetry tells of life as an open invitation to cry to laugh to love to live and to die It s a connection with the emotions we all feel and hear A communion of life from the heart a place of truth **The Case for Fanfiction** Ashley J. Barner, 2017-08-07 Challenging readers to rethink what they read and why the author questions the aesthetic assumptions that have led to the devaluing of fanfiction a genre criticized as both

tasteless and derivative and other guilty pleasure reading and writing including romance and fantasy The complicated relationship between fanfic and intellectual property rights is discussed in light of the millennia old tradition of derivative

literature before modern copyright law established originality as the hallmark of great fiction Absorbed reading the practice of immersing oneself in the narrative versus critically reading from a distance is a strong motive for the appropriation by fanfiction of canon characters and worlds
