Canadiana ,1986 *Prairie Fire* ,1987 *Interviews to Literature* Jean Royer,1996 Royer s role here is similar to a translator s where confidences and revelations from the artists he has talked to are translated into these texts he calls interviews to literature He polishes he evaluates he chooses he animates in short doing what a translator does to make the translated text into a reality in its own right separate from yet intimately linked to the original The texts here allow us to see the artists not only in their guarded moments when they make oft uttered statements they hope the world will read and appreciate but especially in their unguarded relaxed moments when we get a glimpse of the private person the inner being it is a privilege to discover Jean Royer has the gift of brilliantly showing us these moments and shaping them into unforgettable texts that remain in the mind as only literature can do Daniel Sloate **The Intimate Bond** Brian Fagan,2015-04-14 Cultuurgeschiedenis van de relatie tussen mens en dier door de eeuwen heen **Canadian Books in Print.
