Small Sacrifices A True Story Of Passion And Murder:

Small Sacrifices Ann Rule, 2021 The story of an Oregon woman convicted of shooting her three children killing one in 1983 Small Sacrifices Ann Rule, 1988-07-05 In the bestselling tradition of *In Cold Blood* *The Stranger Beside Me* and *Fatal Vision* comes *Small Sacrifices* the harrowing headline breaking story of Diane Downs a woman so desperate for love and attention that she would attempt to murder her three children to please a man who wanted none A work of resonance and revelation with breath stopping tension to the end Kirkus Reviews Copyright Libri GmbH All rights reserved Criminal Psychology Jacqueline B. Helfgott, 2013-04-01 This comprehensive four volume reference set on the subject of criminal psychology includes contributions from top scholars and practitioners in the field explaining new and emerging theory and research in the study of the criminal mind and criminal behavior Unfortunately criminal behavior surrounds us in our society from petty theft and vandalism to multimillion dollar white collar crime to shocking terrorism attempts and school killings Invariably one of the first questions is Why did they do it Criminal psychology seeks to solve this complex puzzle In this four volume reference work a unparalleled team of leading experts offer an exhaustive look at the history developments emerging and classic research issues controversies and victories in the expanding field of criminal psychology The first volume examines the general theories in the study of criminal psychology The second volume focuses more specifically on research of criminal behavior and crime types while the last two volumes delve into criminal justice and forensic applications The comprehensive content allows readers to better understand criminal behavior and appreciate the specific criminal justice and forensic settings in which this theory and research is applied such as criminal profiling forensic assessment of danger and correctional rehabilitation and offender reentry Fatal Violence Ronald M. Holmes, Stephen T. Holmes, 2010-06-23 From serial murderers to parents who kill *Fatal Violence Case Studies and Analysis of Emerging Forms* provides an insider's look at a phenomenon that has existed since the dawn of man and cuts across social economic barriers and cultures Offering a rare glimpse into the minds of predators and containing chilling details of motives and methods th **The Murderer Next Door** David M. Buss, 2006-04-25 As acclaimed psychological researcher and author David Buss writes People are mesmerized by murder It commands our attention like no other human phenomenon and those touched by its ugly tendrils never forget Though we may like to believe that murderers are pathological misfits and hardened criminals the vast majority of murders are committed by people who until the day they kill would seem to be perfectly normal David Buss's pioneering work has made major national news in the past and this provocative book is sure to generate a storm of attention *The Murderer Next Door* is a riveting look into the dark underworld of the human psyche an astonishing exploration of when and why we kill and what might push any one of us over the edge A leader in the innovative field of evolutionary psychology Buss conducted an unprecedented set of studies investigating the underlying motives and circumstances of murders from the bizarre outlier cases of serial killers to those of the friendly next door neighbor who one day kills his wife Reporting on findings that are

often startling and counterintuitive the younger woman involved in a love triangle is at a high risk of being killed he puts forth a bold new general theory of homicide arguing that the human psyche has evolved specialized adaptations whose function is to kill Taking readers through the surprising twists and turns of the evolutionary logic of murder he explains exactly when each of us is most at risk both of being murdered and of becoming a murderer His findings about the high risk situations alone will be news making Featuring gripping storytelling about specific murder cases including a never used FBI file of more than 400 000 murders and a highly detailed study of 400 murders conducted by Buss in collaboration with a forensic psychiatrist and a pioneering investigation of homicidal fantasies in which Buss found that 91 percent of men and 84 percent of women have had at least one such vivid fantasy *The Murderer Next Door* will be necessary reading for those who have been fascinated by books on profiling lovers of true crime and murder mysteries as well as readers intrigued by the inner workings of the human mind *The Fate of Borderline Patients* Michael H. Stone, 1990-05-04

Providing a cost effective treatment model that is respectful of patients needs their strengths and their limitations this book presents the first dynamic and coherent approach to group treatment for the chronically mentally ill By structuring members variable attendance the flexibly bound model which utilizes group dynamic principles to maximize therapeutic opportunities respects the actual behavior of many chronically ill persons making this treatment format available to a broad portion of this population Illustrated with numerous case vignettes the book outlines the elements of supportive treatment and therapeutic goals and then describes in detail specific strategies and interventions ***The Story Within Us*** Megan
