Haggard,2022-07-26 This book discusses the indispensability of the fruit of the Holy Spirit in the life of the believer in Jesus Christ The author Robert A Haggard beseeches the reader to seek the Person of Jesus Christ to know and love Him and to expect the fruit of His Spirit that glorifies God the Father as a byproduct of that close relationship The author s main purposes in this book are 1 That it would glorify God 2 That it would edify its readers and 3 That it would inject life into its readers Eighteen Words to Sustain a Life David Patterson,2023-06-26 In the Jewish tradition going back to Jacob many fathers have written down whatever wisdom they might have attained in their lives in order to pass along that wisdom to their heirs It is called an ethical will Written as a testimony and a testament in an epistolary format this book is a compendium of the wisdom of a father who has spent a lifetime studying the teachings of the Jewish tradition as well as literary and philosophical traditions of the West The insights taken from those traditions which explore the life of the soul are intended for anyone who has a soul The book is organized around eighteen words that form the foundations of human life The number eighteen is taken from the Hebrew word for life chai which has a numerical value of eighteen Among the words at the heart of these reflections are faith goodness responsibility meaning gratitude prayer love and others **The baptist Magazine** ,1822 *From an Existential Vacuum to a Tragic Optimism* Barbara A. Heavilin,Charles W. Heavilin,2014-07-03 From an Existential Vacuum to a Tragic Optimism The Search for Meaning and the Presence of God in Modern Literature employs a new theoretical approach to critical analysis Victor Frankl s logotherapy from the Greek logos for word or reason and often related to divine wisdom a unique form of existentialism On the basis of his observations of the power of human endurance and transcendence the discovery of meaning even in the midst of harrowing circumstances Frankl diagnoses the malaise of the current age as an existential vacuum a sense of meaninglessness He suggests that a panacea for this malaise may be found in creativity love and moral choice even when faced with suffering or death He affirms that human beings may transcend this vacuum discover meaning or even ultimate meaning to be found in Ultimate Being or God and live with a sense of tragic optimism This book observes both the current age s existential vacuum a malaise of emptiness and meaninglessness and its longing for meaning and God as reflected in three genres poetry novel and fantasy Part I Reflections of God in the Poetic Vision addresses tragic optimism hope when there seems to be no reason for hope in poems by William Butler Yeats T S Eliot Samuel Taylor Coleridge and Gerard Manley Hopkins Part II American Angst Emptiness and Possibility in John Steinbeck s Major Novels presents a study of Steinbeck s The Grapes of Wrath East of Eden and The Winter of Our Discontent novels that together

form a uniquely American epic trilogy Together these novels tell the story of a nation's avarice corruption and betrayal offset by magnanimity heroism and hospitality Set against the backdrop of Frankl's ways of finding meaning and fulfillment all obliquely implying the felt presence of God the characters are representative Every American's in whose lives are reflected a nation's worst vices and best hopes Part III A Tragic Optimism The Triumph of Good in the Fantasy Worlds of Tolkien Lewis and Rowling defines fantasy and science fiction as mirrors with which to view reality J R R Tolkien's *The Lord of the Rings* C S Lewis's *That Hideous Strength* and J K Rowling's *Harry Potter* series are considered in the light of Frankl's logotherapy providing paths to meaning and the ultimate meaning to be found in God In a postmodern fragmented age these works affirm a continuing vision of God often through His felt absence and also a most human yearning for meaning even when there seems to be none providing as Frankl maintains a tragic optimism
