Stover,2024-05-31 Few scenes capture the American experience so eloquently as that of a lonely train chugging across the vastness of the Great Plains or snaking through tortuous high mountain passes Although this vision was eclipsed for a time by the rise of air travel and trucking railroads have enjoyed a rebirth in recent years as profitable freight carriers A fascinating account of the rise decline and rebirth of railroads in the United States John F Stover s American Railroads traces their history from the first lines that helped eastern seaports capture western markets to today s newly revitalized industry Stover describes the growth of the railroads monopoly with the consequent need for state and federal regulations relates the vital part played by the railroads during the Civil War and the two World Wars and charts the railroads decline due to the advent of air travel and trucking during the 1950s In two new chapters Stover recounts the remarkable recovery of the railroads along with other pivotal events of the industry s recent history During the 1960s declining passenger traffic and excessive federal regulation led to the federally financed creation of Amtrak to revive passenger service and Conrail to provide freight service on bankrupt northeastern railroads The real savior for the railroads though proved to be the Staggers Rail Act of 1980 which brought prosperity to rail freight carriers by substantially

deregulating the industry By 1995 renewed railroad freight traffic had reached nearly twice its former peak in 1944 Bringing both a seasoned eye and new insights to bear on one of the most American of industries Stover has produced the definitive history of railroads in the United States *North American Railroad Family Trees* Brian Solomon, 2013-10-20 Illustrated history of the North American Railroad industry s mergers and acquisitions illustrated with historical photography and 50 specially commissioned maps and line diagrams charting that evolution Provided by publisher Trains and Technology: Cars Anthony J.
