Story Of Dion Fortune:

The Story of Dion Fortune: As Told to Charles Fielding and Carr Collins Charles Fielding, 2020-09-23 To many Dion Fortune is the chosen exemplar of the Western Esoteric Tradition acquired from her search for the unseen inner worlds of Man and Nature This book tells of her formative years and of her development The Story of Dion Fortune Charles Fielding, Carr Collins, 1985

The Occult Novels of Dion Fortune Georgia van Raalte, 2025-01-28 This monograph explores the work of Dion Fortune one of the most prolific British occult authors of the interwar period and her claim that her books had an initiatory quality She held that reading her books and meditating on their contents could produce a lasting change in consciousness which in turn could lead to lasting changes in an individual's life This book aims to rehabilitate a figure largely forgotten by both the fields of Literature and of Esotericism and proposes a framework for analysing initiatory fiction and the experience of fictional initiation The study presents a new avenue for research and theoretical perspective on literary texts from the Occult Revival as well as on famed modernist texts and more contemporary occult fiction The Occult World Christopher Partridge, 2014-12-05 This volume presents students and scholars with a comprehensive overview of the fascinating world of the occult It explores the history of Western occultism from ancient and medieval sources via the Renaissance right up to the nineteenth and twentieth centuries and contemporary occultism Written by a distinguished team of contributors the essays consider key figures beliefs and practices as well as popular culture

The Triumph of the Moon Ronald Hutton, 2019 This is the second and extensively revised edition of the first full scale scholarly study of what is arguably the only fully formed religion that England has ever given the world that of modern pagan witchcraft which has now spread from English shores across four continents Ronald Hutton examines the nature of that religion and its development and offers a history of attitudes to witchcraft paganism and magic in British society since 1800 Its pages reveal village cunning folk Victorian ritual magicians classicists and archaeologists leaders of woodcraft and scouting movements Freemasons and members of rural secret societies We also find some of the leading figures of English literature from the Romantic poets to W B Yeats D H Lawrence and Robert Graves as well as the main personalities who have represented pagan witchcraft to the public world since 1950 Thriller writers like Dennis Wheatley and films and television

programmes get similar coverage as does tabloid journalism The material is by its very nature often sensational and care is taken throughout to distinguish fact from fantasy in a manner not hitherto applied to most of the stories involved

Consistently densely researched *Triumph of the Moon* presents an authoritative insight into an aspect of modern cultural history which has attracted sensational publicity but has hitherto been little understood This edition incorporates all of the new research carried out into the subject by the author and by others who have often been inspired by this book during the twenty years since it was first published

The Rebirth of Witchcraft Doreen Valiente, 2018-01-31 This classic work is now available for the first time in paperback Since 1951 when the last of the Witchcraft Acts was repealed many books have been written about the reappearance of witchcraft and the development of a pagan theology Churchmen have denounced it Sociologists have wondered at it Journalists have penned sensational stories about it But until the publication of this book no one had told the real story of it from the inside as frankly as it is told here Doreen Valiente one of witchcraft's most widely known figures was a close friend of the late Gerald Gardner generally regarded as the founder of present day witchcraft Initiated by him and for a time High Priestess of his coven Doreen Valiente helped him rewrite his seminal *Book of Shadows* She records the break with Gardner that split his coven the controversy surrounding Alex Sanders King of the Witches and memories of many other witches whom she has known including the lady called Dafo Robert Cochrane Leslie Roberts and Sybil Leek Doreen Valiente took part in many witchcraft rituals and had strange psychic experiences as a result Described here are the clairvoyant communications she received purporting to come from John Brakespeare an eighteenth century witch *The Rebirth of Witchcraft* traces the lineage of the present day witchcraft from its forerunners through to modern feminist neo paganism and the new wave of interest in ecology and holistic medicine

Do What Thou Wilt Lawrence Sutin, 2025-09-23 *Do What Thou Wilt* An exploration into the life and works of a modern mystic occultist poet mountaineer and bisexual adventurer known to his contemporaries as The Great Beast Aleister Crowley was a groundbreaking poet and an iconoclastic visionary whose literary and cultural legacy extends far beyond the limits of his notoriety as a practitioner of the occult arts Born in 1875 to devout Christian parents young Aleister's devotion scarcely outlived his father who died when the boy was twelve He reached maturity in the boarding schools and brothels of Victorian England trained to become a world class mountain climber and seldom persisted with any endeavor in which he could be bested Like many self styled illuminati of his class and generation the hedonistic Crowley gravitated toward the occult An aspiring poet and a pampered wastrel obsessed with reconciling his quest for spiritual perfection and his inclination to do exactly as he liked in the earthly realm Crowley developed his own school of mysticism Magick as he called it summoned its users to embrace the imagination and to glorify the will Crowley often explored his spiritual yearnings through drug saturated vision quests and rampant sexual adventurism but at other times he embraced Eastern philosophies and sought enlightenment on ascetic sojourns into the wilderness This controversial individual a frightening mixture of egomania and self loathing has inspired passionate but

seldom fair assessments from historians Lawrence Sutin by treating Crowley as a cultural phenomenon and not simply a sorcerer or a charlatan convinces skeptic readers that the self styled Beast remains a fascinating study in how one man devoted his life to the subversion of the dominant moral and religious values of his time

Lost Souls of Horror and the Gothic Elizabeth McCarthy, Bernice M. Murphy, 2016-10-24 In recent years horror and gothic themes have penetrated mainstream popular culture in a manner unseen since the horror boom of the 1970s Primetime television viewers who before might not have shown interest in such late night fare now happily settle down after dinner to watch zombie or serial killer shows This collection of 54 biographical essays examines many overlooked and underrated figures who have played a role in the ever expanding world of horror and gothic entertainment The contributors push the boundaries of how we define these terms bringing into the discussion such diverse figures as singer songwriter Tom Waits occultist Dion Fortune author Charles Beaumont historian and bishop Gregory of Tours and video game designer Shinji Mikami

The Philosophy and Practice of Polarity Magic John Michael Greer, 2024-10-29 An exploration of a system of magical practice which works through the sublimation of erotic energies between two or more people Polarity magic is a concept of occult study that is often shrouded in complexity and confusion Now established author John Michael Greer explains its place in Western ceremonial tradition providing a guidebook to using polarity magic a powerful effective and balanced way of working magic in order to enhance and deepen magical practice Polarity magic does not involve sexual intercourse but rather relies on the movements of the ether the force behind life itself which people experience during sexual or emotional attraction When these movements follow their natural course to the material plane they result in sex or childbirth When redirected to less material more spiritual planes however they produce magical and powerful results The book covers a broad expanse of expertly researched information laid out in a clear and accessible prose It ranges from an introduction to the history of polarity magic situations polarity magic in the macrocosm and microcosm information on how to prepare for polarity magic the practice of both basic and advanced polarity magic as well as mass polarity magic The Philosophy and Practice of Polarity Magic is an invaluable tool for practitioners of ceremonial magic wanting to explore the fascinating workings of polarity magic

The Spiritualist Movement Christopher M. Moreman, 2013-08-27 At once controversial and intriguing Spiritualism has spread from the United States to become a global movement Bringing together perspectives from within the movement and without this unique collection treats readers to insights about Spiritualism s history belief and practice Based on the belief that the dead can communicate with the living through mediums Spiritualism touches concepts as timelessly fascinating as human mortality and the continuing existence of the soul beyond bodily death This comprehensive work will help readers parse the mysteries of this uniquely American religion through three thematically organized volumes Spiritualism in the U S and Globally Evidence and Beliefs and Cultural and Social Issues Drawing on fields as diverse as psychology sociology religious studies anthropology history ethnic and gender studies literature and art this broad based collection frames Spiritualism

through the views of a team of international scholars Among the many things that separate Spiritualism from mainstream religions is the involvement of women in central leadership roles Such cultural and political elements of the movement are one aspect of this study Of equal interest to believers and skeptics alike will be the work of scholars who have devoted themselves to examining the claim that communication through mediums proves the existence of life after death **Inner Journeys** Gary M. Vasey,2005 **Philosophers and Religious Leaders** Christian von Dehsen,2013-09-13 Philosophers and Religious Leaders provides a synopsis of the lives and legacies of 200 men and women from the areas of religion and philosophy who have changed the world These individuals have developed extended or exemplified ideas fundamental to the way human beings perceive the meaning and purpose of their own lives and of their societies Some have challenged prevailing convictions and worked for immediate change during their lifetimes others have proposed new modes of thinking that have flourished only after their passing The Demon Lover Dion Fortune,2010-11-01 A secretary finds herself psychically bound to her boss in this supernatural thriller from one of the leading luminaries of twenieth century esoteric thought The Demon Lover was first published in 1927 the same year as H P Lovecraft s The Call of Cthulhu Dion Fortune was among a generation of occult horror writers that formed popular culture s obsession with secret societies vampires demons ritual magic and dark powers lurking in the shadows What sets Fortune apart from so many of her contemporaries is her deep knowledge of the inner workings of magical orders rites and practices and her own freethinking on occult subjects demonstrated in the classic Psychic Self Defense and The Mystical Qabalah When young Veronica Mainwaring is hired by Justin Lucas as his secretary she has no idea that she will soon find herself being used as his own personal trance medium With an invisible collar keeping her bound to Lucas her every attempt at escape is foiled by a yank on the unseen chain Veronica soon finds herself trapped in Lucas quest for power and knowledge beyond the earthly plane as a story of past lives hidden evils and a twisted love affair come to life in this occult thriller A convincingly unsettling book Fortune evokes a world of powers that can threaten you that are both part of a coherent moral mythology and also cloaked in mystery Things are unpredictable though there is an order to them It s not a book for every taste maybe But it s worth a look for a distinctive handling of magic and its overlap with the everyday world **Black Gate** **The Virtual Life of Fizzy Oceans** David A. Ross,2011-01-02 Fizzy Oceans lives works and travels in the virtual world where the dead are very much alive places like ancient Babylon have been reconstructed and with the click of a button WHOOSH one is transported throughout the Ages to events and destinations that make up our human history *The History of the Occult Tarot* Ronald Decker,Michael Dummett,2013-07-18 An essential volume for the libraries of all serious students of the Tarot When the Tarot was invented in Italy during the early fifteenth century it was simply a pack of cards used for playing games Esoteric interpretations of the pack date from late eighteenth century France and were confined to that country for a hundred years But today the cards are used throughout the world and not only for fortune telling for true believers they are the key to secret knowledge and the

meaning of life A History of the Occult Tarot is the classic work on the history of the Tarot deck and its use in occult circles Starting with the late nineteenth century the Decker and Dummett examine how the Tarot became the favoured divination tool of occultists a bridge to the spirit world and a map of the unconscious From Theosophical to Aleister Crowley to the Order of the Golden Dawn and P D Ouspensky this compelling survey of the Tarot s history describes the many fascinating decks imagined over time as well as the secret histories of mystics Grail Alchemy Mara Freeman,2014-01-24 An experiential guide to the spiritual path of the Holy Grail Traces the evolution of the Holy Grail from the sacred vessel of the Celtic goddess to the Cup of Christ and how it represents the longing for the divine feminine Provides exercises meditations and rituals to connect you with the powers of the Cauldron of Rebirth the Chalice of Healing the Sword of Light and the Holy Grail Explains how attaining the Grail brings full consciousness of the soul and Divine influence for the healing of self and others The primary myth of Western culture the quest for the Holy Grail persists through the centuries like a recurring dream embodying the longing for the divine feminine suppressed for more than two thousand years The Holy Grail emerged not only as a symbol of the feminine but also as a symbol of the soul for hidden within the sacred Grail legends lies an initiatory path that leads to the highest realms of consciousness and spiritual illumination By working with the symbols of the Grail tradition we can gaze into our own hidden depths and heal the separation between masculine and feminine Spirit and Matter and Heaven and Earth Mara Freeman traces the evolution of the Grail from the sacred vessel of the Celtic goddess to the Cup of Christ revealing a spiritual path rooted in the mysteries of the Goddess the Grail and the Sword She explains how the Sword has dominated over the Goddess and the Grail for far too long leading to a spiritual wasteland as foretold in the Grail stories She provides a practical workbook of exercises visualizations and magical rituals to restore the power of the divine feminine through spiritually transformative experiences with the Cauldron of Rebirth the Chalice of Healing the Sword of Light and the Holy Grail itself Drawing on folk traditions and medieval Arthurian romances as well as alchemy and the wisdom of the mystics of Glastonbury Freeman reveals the ancient Celtic teachings of the Western Mystery tradition She shows that attaining the Grail involves achieving full consciousness of the soul Then as a Grail bearer you can bring the light of the Grail into the world for the healing of self and others **The Dark History of the Occult** Paul Roland,2022-07-01 What evidence is there that evil entities can possess human beings and force them to commit horrific murders Black magic murders Satanic sex cults and demonic possession are the diabolical practices that grab the tabloid headlines and reinforce the myth that evil and an unhealthy obsession with the occult are to blame for our increasingly violent society But is the truth even darker and more disturbing From tribal magic and shamanism through the work of WB Yeats and Aleister Crowley to black magic rituals and New Age Nihilists The Dark History of the Occult asks whether Satanic forces are simply the emergence of the dark side of human nature or whether we really have something to fear namely evil The Place of Enchantment Alex Owen,2006-12-15 By the end of the nineteenth century Victorians were seeking rational explanations for

the world in which they lived The radical ideas of Charles Darwin had shaken traditional religious beliefs Sigmund Freud was developing his innovative models of the conscious and unconscious mind And anthropologist James George Frazer was subjecting magic myth and ritual to systematic inquiry Why then in this quintessentially modern moment did late Victorian and Edwardian men and women become absorbed by metaphysical quests heterodox spiritual encounters and occult experimentation In answering this question for the first time *The Place of Enchantment* breaks new ground in its consideration of the role of occultism in British culture prior to World War I Rescuing occultism from its status as an irrational indulgence and situating it at the center of British intellectual life Owen argues that an involvement with the occult was a leitmotif of the intellectual avant garde Carefully placing a serious engagement with esotericism squarely alongside revolutionary understandings of rationality and consciousness Owen demonstrates how a newly psychologized magic operated in conjunction with the developing patterns of modern life She details such fascinating examples of occult practice as the sex magic of Aleister Crowley the pharmacological experimentation of W B Yeats and complex forms of astral clairvoyance as taught in secret and hierarchical magical societies like the Hermetic Order of the Golden Dawn Through a remarkable blend of theoretical discussion and intellectual history Owen has produced a work that moves far beyond a consideration of occultists and their world Bearing directly on our understanding of modernity her conclusions will force us to rethink the place of the irrational in modern culture An intelligent well argued and richly detailed work of cultural history that offers a substantial contribution to our understanding of Britain Nick Freeman Washington Times
