Papermaking in Britain Alfred H. Shorter, 2024-08-07 The late A H Shorter is widely acknowledged for his pioneering work on the history of the British paper making industry and his books continue to provide the basis for further research The present volume brings together all his many articles hitherto scattered across a variety of specialist publications and often virtually inaccessible In these studies Dr Shorter tackled the subject with a broader scope than was possible in his books in

particular they cover the period after 1800 tracing the changing geographical pattern of the industry They also contain a wealth of detailed information on papermaking across Britain notably in the counties of southwest England that is impossible to find elsewhere and is now made accessible through the comprehensive indexes to the volume Le regret A H Shorter est largement reconnu pour ses travaux originaux sur l'histoire de l'industrie papetière britannique et ses ouvrages continuent d'être la base de toutes recherches supplémentaires Le présent volume rassemble la totalité de ses nombreux articles jusqu'à présent dispersés sur tout un éventail de publications spécialisées et bien trop souvent inaccessibles Au travers de ces études l'auteur s'attaque au sujet sur un rayon plus large que cela n'avait été possible dans ses livres couvrant en particulier la période après 1800 et traitant la structure géographique de l'industrie Le recueil contient aussi abondance d'informations détaillées sur la fabrication du papier partout en Grande Bretagne notamment dans les comtés du sud ouest de l'Angleterre et qu'il est impossible de trouver ailleurs
