Story Of Persephone:

The Story of Persephone Penelope Farmer, 1973 A retelling of the Greek myth in which Persephone returns from the underworld each year to bring spring to the earth **Persephone** Amie Jane Leavitt, 2019 Goddess of springtime or queen of the underworld life or death Empowering high interest narrative text tells the dual story of Persephone from Greek mythology These core legends show Persephone's double personality as she splits her duties between her mother and the god of the dead Fascinating myths also uncover Persephone's past detailing her birth and how she fits into the family of deities Further explore Persephone's role in Greek culture through her signature powers symbols and attire Additional facts and historical information connect the goddess's influence through popular culture today **The Story of Persephone** Penelope Farmer, Graham McCallum, 1972 A retelling of the Greek myth in which Persephone returns from the underworld each year to bring spring to the earth **Debonair** Gladys Bronwyn Stern, 1928 *Debonair* Gladys Bronwyn Stern, 1930

Memories of Spring Dominique Wren, 2013-11-24 She was named Kore by her mother Demeter the goddess of the grain She spends her days tending to her mother's gardens and trying to remember the lessons given to her by her cousin Athena At least her cousin can say she is the goddess of something when Kore can only say that she is Demeter's hidden daughter That is until the day the earth opens to swallow her whole Back cover **Persephone, Queen of the Dead** Isadora Marie, 2011-10 This is not the myth that has been passed down through the ages where the Greek God Hades abducts and rapes his niece Kore the daughter of his sister the Goddess Demeter dragging her down to the Underworld to be his consort thus changing her from the maiden Kore to Persephone the Goddess of the Underworld Persephone Queen of the Dead tells the story of a young Goddess who falls in love and marries a God that she knows her mother does not approve of It is the story of her life and what she had to sacrifice to be with the only man she loved This story is told not only through the Goddess's own words but also her mother the Goddess Demeter's for the lives of the two are entwined for eternity The story begins with Kore as a young maiden who happens to behold the God Hades as he emerges from the Underworld and falls instantly in love Part 1 switches between Kore as she tells of her first love and her mother Demeter as she expresses the betrayal of not only her daughter but of the other gods as well It is this betrayal that causes Demeter to withhold her Fertility from the world until most mortal life dies A compromise is made and Kore whose new name is Persephone is forced to leave her husband for one half of the year to be with her mother During this time Demeter allows the vegetation to once again sprout but when Persephone returns to the Underworld the Goddess of Fertility once again withholds her gifts Thus the seasons have been created Continuing on the story explains the role Persephone assumes as Queen of the Dead and tells several tales of mortals who risked everything by entering into the Underworld Orpheus travels for weeks to beg the Goddess of Death to return his wife Eurydice to life the Lapth prince Pirithous with the help of his companion Theseus tries to kidnap Persephone and make her his bride for their foolishness they are turned into statues four years later when the hero Hercules

enters the Underworld as one of his Twelve Labors he is able to free his cousin Theseus Other tales within the story include that of Psyche and Eros followed by Adonis who was raised by Persephone and finally the story of how the new God Dionysus was created The last part explains how with the beginning of Christianity the Old Gods were demoted into demons and without the daily offerings they became accustomed to they began to fade Only the strongest of the gods survived during this period With the beginning of the new century hope was returned as the Old Religions were beginning to be revived Isadora Marie is a Wiccan living in the metro Chicago area with her life mate and their canine and feline companions Isadora grew up studying the Greek myths and as a child was fascinated with all the different Gods Goddesses and heroes that populated them When Isadora became a Wiccan it was these same Gods and Goddesses who became important not only in rituals but in her life She currently works in a history museum and her work around the artifacts of several different countries only increased her love for mythology Though Isadora has worked with Gods and Goddess of several different cultures it was those of Ancient Greece from her childhood that she felt the closest connection to and after several decades of studying these myths she felt that it was time to tell a more modern version of one of her favorites that of the Goddess Persephone Since her background is in art and design Isadora has been working on several projects to incorporate this element into her spirituality A current project is developing a photographic Tarot deck which included several of the Goddesses of Greece along with those of India and Egypt All of her artistic projects are not only a work of love but she hopes that they will inspire others to find the beauty in the old myths
