

The Story of St. Patrick

Saint Patrick's Day is March 17th. This day is both an Irish religious and national holiday. Immigrants from Ireland brought this celebration to the United States.

Saint Patrick is a very famous and important person in Ireland. He was not actually born in Ireland. He was born in Great Britain. At 16 years old he was kidnapped by pirates and taken to Ireland where he was sold as a slave. As a slave he was forced to work as a shepherd. He spent many long hours alone taking care of the sheep out in the fields. He felt lonely and afraid. During this time Patrick began to think about God. He repented from his sin and unbelief and he turned to God with all his heart.

Patrick had a dream in which God told him to leave Ireland by going to the coast. He was able to escape and returned to his family. Soon after he returned home, he had another dream in which the people of Ireland were calling out to him, "We beg you to come and walk among us once more." He went to

France and studied to become a priest. He returned to Ireland as a missionary.
