Seese,2015-03-06 The history of soccer in the United States is far richer and more complex than many people realize Leagues competed in the U S as far back as the late 1800s and in 1919 Bethlehem Steel became the first American professional soccer team to play in Europe when they toured Sweden Multiple leagues existed during the early 1900s but after the American Soccer Association folded in 1933 the country did not see a rebirth of professional soccer until 1967 It was a painful hostile revival that saw dueling groups of American sports entrepreneurs fracture into two separate professional leagues The United Soccer Association USA and the National Professional Soccer League NPSL The Rebirth of Professional Soccer in America The Strange Days of the United Soccer Association tells the story of this largely forgotten chapter in the sport s history The USA and NPSL were ragged misshapen pieces of a puzzle that refused to fit together two leagues competing directly for fans and revenue While the USA was a league sanctioned by FIFA but absent from the nation s airwaves the NPSL was considered an outlaw league by FIFA but it held an exclusive television contract with CBS This would have been strange enough but the USA league imported entire teams from Great Britain Italy and South America including Stoke City Wolverhampton Wanderers Cagliari Calcio and Bangu This book recounts soccer riots in Yankee Stadium teams with dual identities World Cup winners on the pitch and a cast of characters featuring the likes of Phil Woosnam Lamar Hunt Derek Dougan and Gordon Banks Drawing on meticulous research and interviews this book reveals the little known story that unfolded on the field in the boardroom and across the country during this single strange season of professional soccer Featuring an impressive group of global soccer legends this book delivers a fascinating piece of soccer history for the growing legions of American soccer supporters as well as for soccer fans around the world The Beautiful Game: A Comprehensive Guide to Soccer Lucien Sina,2024-08-11 Experience the ebook version of The Beautiful Game A Comprehensive Guide to Soccer an exhilarating exploration of the global phenomenon that is soccer This digital guide takes you from the historic roots of the sport to its modern day tactics and strategies delving into the heart and soul of soccer It offers a captivating narrative that will enthrall both die hard fans and newcomers to the game With vivid descriptions and insightful analysis this ebook is a must read for anyone who has ever been touched by the magic of soccer Additionally it covers aspects of American football and rugby providing a broader perspective on the world of sports **Soccer For Dummies** Tom Dunmore,Scott
