

How to Describe Clouds in a Story

A dramatic landscape photograph featuring a vast, dark, and turbulent sky filled with heavy, dark grey and black clouds. A bright, glowing light source, likely the sun or moon, is partially obscured by the clouds in the center, creating a strong backlighting effect and illuminating the edges of the cloud formations. Below the sky, a calm body of water stretches across the horizon, reflecting the light from the break in the clouds. In the foreground, a dark, pebbly or sandy beach is visible, with some water lapping at the shore. The overall mood is dramatic and atmospheric.
