The Drama of the American Short Story, 1800-1865 Michael J. Collins, 2016-10-20 A new history of the origins of the American short story and its relationship to theatrical performance culture

The Guardians Geoffrey Kabaservice, 2014-09-02 How liberalism and one of the most dramatic eras in American history were shaped by an influential university president and his powerful circle of friends Yale's Kingman Brewster was the first and only university president to appear on the covers of Time and Newsweek and the last of the great campus leaders to become an esteemed national figure He was also the center of the liberal establishment a circle of influential men who fought to keep the United States true to ideals and extend the full range of American opportunities to all citizens of every class and color Using Brewster as his focal point Geoffrey Kabaservice shows how he and his lifelong friends Kennedy adviser McGeorge Bundy Attorney General and statesman Elliot Richardson New York mayor John Lindsay Bishop Paul Moore and Cyrus Vance pillar of Washington and Wall Street helped usher this country through the turbulence of the 1960s creating a legacy that still survives In a narrative that is as engaging and lively as it is meticulously researched The Guardians judiciously and convincingly reclaims the importance of Brewster and his generation illuminating their vital place in American history as the bridge between the old establishment and modern liberalism

Crimes of the Centuries Amber Hunt, 2024-01-16 A fascinating pop history dive into the stories behind the incredibly impactful crimes both infamous and little known that have shaped the legal system as we know it When asked why true crime is so in vogue Pulitzer Prize winning journalist and New York Times bestselling author Amber Hunt always has the same answer it's no hotter than it's always been Crimes and trials have captured American consciousness since the Salem Witch Trials in the seventeenth century And these cases over the centuries have fundamentally changed our society and shifted our legal system resulting in the laws we have today and setting the stage for new rights and protections From the first recorded murder trial led by the

first legal dream team to one of the earliest uses of DNA these cases will fascinate Watching Anime, Reading Manga Fred Patten,2004-09-01 The first book length collection by the most respected writer on anime and manga today Anime s influence can be found in every corner of American media from film and television to games and graphic arts And Fred Patten is largely responsible He was reading manga and watching anime before most of the current generation of fans was born In fact it was his active participation in fan clubs and his prolific magazine writing that helped create a market and build American anime fandom into the vibrant community it is today Watching Anime Reading Manga gathers together a quarter century of Patten s lucid observations on the business of anime fandom artists Japanese society and the most influential titles Illustrated with original fanzine covers and archival photos Foreword by Carl Macek Robotech *Bulletin* ,1925

Isolationism Charles A. Kupchan,2020-09-01 This is the first book to examine the full arc of American isolationism from the founding era through the Trump presidency Charles Kupchan tells the fascinating story of why isolationism dominated US statecraft for so long uncovers isolationism s enduring connection to American exceptionalism and explains why an aversion to foreign entanglement is making a comeback This fresh account of American history sheds revealing light on not only the nation s past but also where US grand strategy is headed and how the nation can find the middle ground between isolationism and strategic overreach **America's History is His Story** R.G. Yoho, AWARD WINNING AUTHOR America s History is His Story is a daily devotional of history and patriotism If you embrace the power of the Christian faith if you love the United States of America if you cherish your family and if you respect the contributions of our brave military personnel then you should love this book Each daily reading is brimming with the qualities of faith family and freedom **Critical Issues in the History of Spaceflight** Stephen J. Dick,Steven J. Dick,Roger D. Launius,2006 In March 2005 the NASA History Division and the Division of Space History at the National Air and Space Museum brought together a distinguished group of scholars to consider the state of the discipline of space history This volume is a collection of essays based on those deliberations The meeting took place at a time of extraordinary transformation for NASA stemming from the new Vision of Space Exploration announced by President George W Bush in January 2004 to go to the Moon Mars and beyond This Vision in turn stemmed from a deep reevaluation of NASA s goals in the wake of the Space Shuttle Columbia accident and the recommendations of the Columbia Accident Investigation Board The new goals were seen as initiating a New Age of Exploration and were placed in the context of the importance of exploration and discovery to the American experiences Amazon *In the Shadows of Power* R. Michael Crossen,2025-02-13 In the Shadows of Power The Untold Stories of Female Spies is a compelling exploration of the hidden contributions of women in the world of espionage The book delves into the remarkable lives of female operatives who worked behind the scenes often at great personal risk to shape the outcomes of conflicts and historical events Spanning various eras and regions it uncovers stories of courage ingenuity and resilience that have long been overshadowed by their male counterparts The narrative not only recounts daring missions and thrilling

exploits but also examines the human element of these women's lives the sacrifices they made the challenges they overcame and the strength they displayed in the face of adversity From wartime couriers and saboteurs to Cold War double agents these operatives defied societal norms and expectations using their unique skills to gather intelligence spread disinformation and execute covert operations Author Mike draws on his extensive experience in military intelligence and his interactions with legendary spies to provide a richly detailed and deeply personal account The book sheds light on the underappreciated yet critical roles that female spies played in shaping history challenging readers to reevaluate traditional notions of heroism and valor Ultimately *In the Shadows of Power* is more than a collection of spy stories it is a celebration of the quiet strength and determination of women who stepped out of the shadows to leave an indelible mark on the world The book invites readers to honor their legacies and reflect on the untapped potential of those who operate with courage and conviction often unnoticed but always impactful

Black Scare / Red Scare Charisse Burden-Stelly, 2023-11-14 A radical explication of the ways anti Black racial oppression has infused the US government's anti communist repression In the early twentieth century two panics emerged in the United States The Black Scare was rooted in white Americans fear of Black Nationalism and dread at what social economic and political equality of Black people might entail The Red Scare sparked by communist uprisings abroad and subversion at home established

anticapitalism as a force capable of infiltrating and disrupting the American order In *Black Scare Red Scare* Charisse Burden Stelly meticulously outlines the conjoined nature of these state sanctioned panics revealing how they unfolded together as the United States pursued capitalist domination Antiradical repression she shows is inseparable from anti Black oppression and vice versa Beginning her account in 1917 the year of the Bolshevik Revolution the East St Louis Race Riot and the Espionage Act Burden Stelly traces the long duration of these intertwined and mutually reinforcing phenomena She theorizes two bases of the Black Scare Red Scare US Capitalist Racist Society a racially hierarchical political economy built on exploitative labor relationships and Wall Street Imperialism the violent processes by which businesses and the US government structured domestic and foreign policies to consolidate capital and racial domination In opposition Radical Blackness embodied the government s fear of both Black insurrection and Red instigation The state s actions and rhetoric therefore characterized Black anticapitalists as foreign alien and undesirable This reactionary response led to an ideology that Burden Stelly calls True Americanism the belief that the best things about America were absolutely not Red and not Black which were interchangeable threats Black Scare Red Scare illuminates the anticommunist nature of the US and its governance but also shines a light on a misunderstood tradition of struggle for Black liberation Burden Stelly highlights the Black anticapitalist organizers working within and alongside the international communist movement and analyzes the ways the Black Scare Red Scare reverberates through ongoing suppression of Black radical activism today Drawing on a range of administrative legal and archival sources Burden Stelly incorporates emancipatory ideas from several disciplines to uncover novel insights into Black political minorities and their legacy

Story Of America First: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. Story Of America First : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
