**The Romance of Flamenca** E. D. Blodgett, 2014-04-23 Variouslly described as a comedy of manners a psychological romance and a type of fabliau the 13th century narrative Flamenca is the best medieval romance written in Occitan Its uniqueness springs from qualities that anticipate the preoccupations of modern day narrative Not content with being a love story fraught with risk and intrigue the poem is layered with responses to the troubadour tradition of love and poetry as well as the Bible and the classics Though among the most bookish of romances its tone is invariably ironic comic and satirical This playfulness may be measured by the variety and vehemence of critical response to the poem Is it a vindication of the troubadour ideal a mockery of the Church a satire on jealous husbands or an undermining of the ideals that romance is said to inscribe Or is it all of these elements held in suspense The introduction confronts these questions The most recent edition and translation of Flamenca by Hubert and Porter is now out of print their translation was into octosyllabic couplets that match the original Blodgett s translation is unrhymed and line for line on pages facing the edition it adheres as closely as possible to the literal meaning of the original The edition follows the recent text prepared by Gschwind *The Story of Flamenca* William Aspenwall Bradley, 2017-08-27 **The Story of Flamenca** William Aspenwall Bradley, 2017-11-26 Excerpt from The Story of Flamenca The First Modern Novel Arranged From the Provencal Original Responsible for the ensuing swift decadence Love was the one real religion of the upper classes and the code of lovers hardened into a vast complicated system constituted the sole effective morality Flamenca and Guil lem are characteristic products of this system and its perfect exponents Their acceptance of it is complete Never does any doubt enter the mind of either As to the sovereignty of the rights conferred by mutual love Both regard themselves as accomplishing a sacred duty in going directly or as directly as possible to the goal of their desire At the same time there are forms to observe and our two lovers are so scrupulous in their observance that they may occasionally seem engaged much more in going through an elaborate ritual than in pursuing dangerously a passionate adventure Yet the danger was there and Flamenca never forgets that if in a sense she is playing a game it is a game the stake of which is About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Antiquarian Bookman ,1964 **Quarterly Bulletin of the Providence Public Library** Providence Public Library (R.I.),1922 The Publishers Weekly ,1922
