**King Arthur** Charles River Editors, 2025-05-02 King Arthur is one of the most famous names in history and his name still evokes visions of fantasy chivalry bravery and more even today Arthur remains a pop culture fixture around the globe made famous in various Arthurian tales written by writers like Chretien de Troyes Arthur came to embody the ideals of the Middle Ages strength chivalry bravery and more Along the way his Excalibur sword the Holy Grail his queen and more have all become household words Arthur has long been identified as a folk hero and there are countless tales that comprise the Arthurian legend but was there an actual person that the original stories were based on People still search for the seeds of

truth in the Knights of the Round Table and the historical figure that inspired the Arthurian tales Of course as with all great myths and even those with a kernel of truth behind them there is no real Arthur Arthur is now comprised of the works written by diverse storytellers most of which have built upon the ancient stories and possibly history It is from there that a primordial seed of myth remains at the heart of all the retellings At the same time Arthur s story is one of transformation as he is brought from the Middle Ages into the Renaissance and more modern times And that story also includes the famous contemporaries in his stories and other important historical figures like Geoffrey of Monmouth the imprisoned Sir Thomas Mallory and Walt Disney When looking for the historical and mythical Arthur scholars try to understand how the Arthur of these tales and of others like Disney s Sword in the Stone and Monty Python and the Holy Grail came to be What are the origins of the Arthur legend and what can they tell people about the past What is the historical basis for King Arthur if any King Arthur The History and Folklore of the Arthurian Legend comprehensively examines the history and stories of the Arthurian legend while also looking at how they affected English history and became as popular as they are today Along with pictures of important people places and events you will learn about King Arthur like you never have before in no time at all

**The Story of King Arthur and His Knights** ,1903 Relates how Arthur became king won a queen and came to establish the Round Table     The Story of King Arthur and His Knights ,1950     *A Brief History of King Arthur* Mike

Ashley,2013-02-07 Who was the real King Arthur What do the historical documents tell us about the Knight of the Round Temple It is just a chivalric fantasy The story of Arthur has been handed down to us by Medieval poets and legends but what if he actually existed and was in fact a great king in the early years of Britain s story Mike Ashley visits the source material and uncovers unexpected new insights into the legend there is clear evidence that the Arthurian legends arose from the exploits of not just one man but at least three originating in Wales Scotland and Brittany The true historical Arthur really existed and is distantly related to the present royal family     The Legend of King Arthur and His Knights Sir James Knowles,2013-04-08 King Arthur is a legendary British leader who according to Medieval histories and romances led the defense of Britain against Saxon invaders in the early sixth century The details of Arthur s story are mainly composed of folklore and literary invention and his historical existence is debated and disputed by modern historians The sparse historical background of Arthur is gleaned from various sources including the Annales Cambriae the Historia Brittonum and the writings of Gildas Arthur s name also occurs in early poetic sources such as Y Gododdin The legendary Arthur developed as a figure of international interest largely through the popularity of Geoffrey of Monmouth s fanciful and imaginative 12th century Historia Regum Britanniae History of the Kings of Britain However some Welsh and Breton tales and poems relating the story of Arthur date from earlier than this work in these works Arthur appears either as a great warrior defending Britain from human and supernatural enemies or as a magical figure of folklore sometimes associated with the Welsh Otherworld Annwn How much of Geoffrey s Historia completed in 1138 was adapted from such earlier sources rather than invented by

Geoffrey himself is unknown Although the themes events and characters of the Arthurian legend varied widely from text to text and there is no one canonical version Geoffrey s version of events often served as the starting point for later stories Geoffrey depicted Arthur as a king of Britain who defeated the Saxons and established an empire over Britain Ireland Iceland Norway and Gaul In fact many elements and incidents that are now an integral part of the Arthurian story appear in Geoffrey s Historia including Arthur s father Uther Pendragon the wizard Merlin the sword Excalibur Arthur s birth at Tintagel his final battle against Mordred at Camlann and final rest in Avalon The 12th century French writer Chr tien de Troyes who added Lancelot and the Holy Grail to the story began the genre of Arthurian romance that became a significant strand of medieval literature In these French stories the narrative focus often shifts from King Arthur himself to other characters such as various Knights of the Round Table Arthurian literature thrived during the Middle Ages but waned in the centuries that followed until it experienced a major resurgence in the 19th century In the 21st century the legend lives on not only in literature but also in adaptations for theatre film television comics and other media The Sir James Knowles version of King Arthur is considered as the most accurate and well known original story of King Arthur and the Knights of the Round Table
