A Pocketful of History Jim Noles,2009-03-25 The U S Mint s Fifty State Quarters Program its most ambitious program to date has been a huge popular success When the final state quarters are released in 2008 many thousands of individuals will have collected one commemorative quarter for each state in the Union But what can we learn about our country s history and culture from 12 50 worth of quarters A Pocketful of History tells the intriguing story behind each state s quarter how each state chose its quarter s design what is important about the people scenes or themes depicted on the coin and what the collection tells us about how we view ourselves and our heritage A Pocketful of History will guide readers on a fascinating journey through America s rich history of change

Sparrowhawk on the Horizon A Scholte,2018-05-24 e If you choose not to fight consider yourself beatene It is the 1850 s Britannia rules the waves and the Great Exhibition seems to flaunt the Empire s superiority to the World Until news reaches Britain of a new invention an American yacht rumoured to be faster than anything built in the Old World Two men divided by an ocean yet united by their desire for glory are determined to see a race between the American vessel and a British rival But will the British sailing gentry oblige or will they refuse to race the upstart newcomer This is a story about transatlantic rivalry Victorian snobbery and great sportsmanship It is the story of the world s oldest international sporting trophy the America s Cup Recent endorsements Tucker Thompson Public Host 35th America s Cupe I loved the book and really enjoyed reading it It is very well written and I am grateful to have a copy particularly as a relative of George Lee Schuyler one of the owners of AMERICA e Steve Mair Commodore Royal New Zealand Yacht Squadron current holders of the America s Cup e What a great story Fantastic read and a great backdrop to the event in Bermuda The richness and depth of the tale is one that sets the tone for the following 34 America s Cup challenges The attitude in 1851 from the Americans shows significant similarities to New Zealand s involvement over the last 30 years to prove that a fledgling nation can foot it and beat the might of the defenders A must read for anyone even remotely interested in the America s Cupe Rupert Paget descendent first Marquess of Anglesey who donated the AAGBP100 Cup in 1851 to the Royal Yacht Squadron that subsequently became the America s Cup e A very clever combination of fact and fiction The fact being the AAGBP100 Cup later the America s Cup of 1851 the fiction being the tale of 2 men who become involved one from New York and one from London Life in squalid Victorian London and less squalid rural England depicted brilliantly and convincingly This is a character led story with a good plot often difficult to find Would love to say more but don t want to spoil it Highly recommended Looking forward to the next volume e
